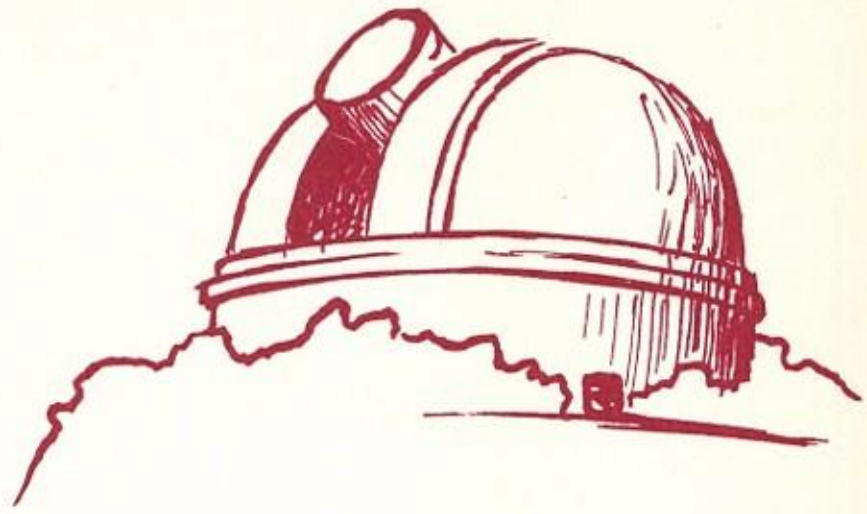
Stars Within Our



Nowhere is the power, the glory, the magnitude of God so manifest as in the awesome splendor of the heavens. In that undetermined expanse of time and space whose silent, infinite reaches man has never penetrated, we witness the wondrous perfection of His creation.

It is fitting that among the thousands of stars that fill the night sky and those countless others beyond the puny sight of man, we find three shining beacons of light, flaming goals that burn with more brilliance before the hearts of men than the brightest star in the midnight sky. Their names are: Happiness, Success and Salvation. These are indeed the stars we seek.

Each of us would make his mark; would take this old world by the tail and give it a good, healthy swing. Then look up! There they are . . . stars within our reach!

Here's To Dear Old Chaminade . . .

As the strains of the Alma Mater die in the distance, we turn for a final glance at you, our beloved Chaminade. Strange that your doors which during these past four years have appeared so matter-of-fact should suddenly rise before us in a haze of sentiment and beauty we were not aware of before. True, marauding years have taken their inevitable toll of your external appearance. But we love your time-worn halls none the less. Our love for you is that of a man for his mother; not of the beauty which lies without, but of that which is within.

Now we stand on the threshold of a great adventure, realizing that there are indeed "Stars Within Our Reach." We advance bravely, stalwart Catholics, into the troubled world of today, because you, Chaminade, have succeeded. Under your guidance, we have grown in wisdom and strength, in body and in soul. You welcomed us as boys. You sent us away, men, Men of Chaminade!

Carl Zuhl

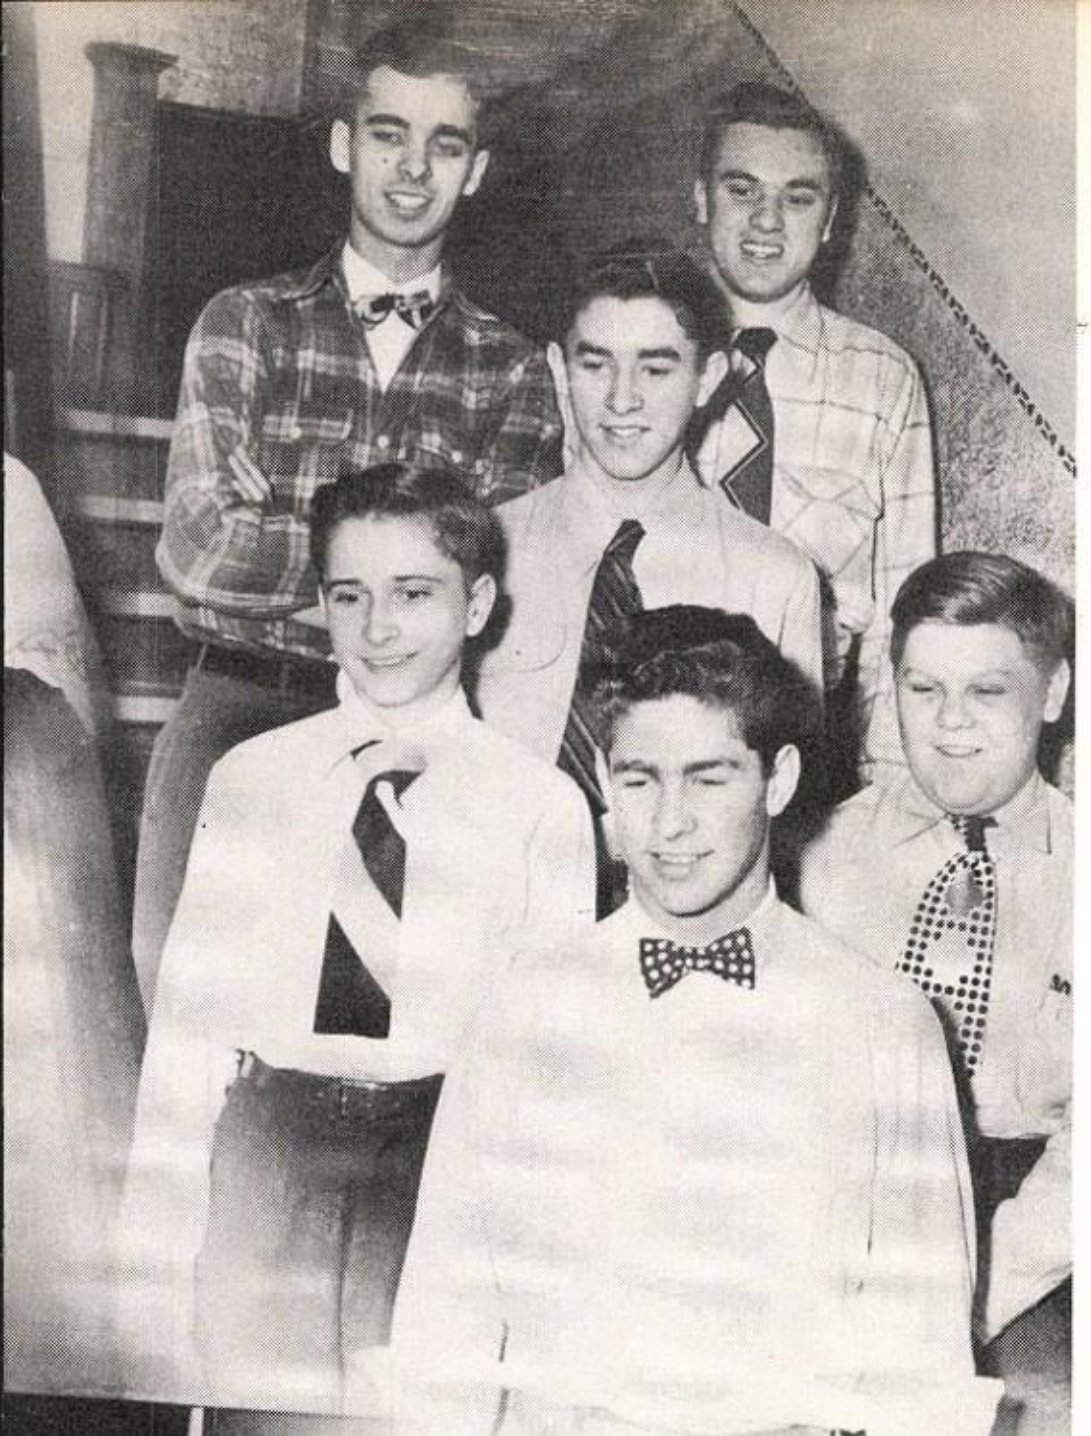
Born . . . . . January 10, 1932
Died . . . . November 13, 1949

Dedication

We, the Class of 1950, take pause on the eve of our graduation to pay tribute to the memory of one who was taken from our midst in this, our senior year.

To have known Carl Zuhl was a real privilege. He was indeed a true friend to all. How many times his friendly smile and cheery laughter gladened the heart of a gloomy classmate! Even more important, Carl was a deeply religious young man, a good student, and a conscientious worker. Our Class boasts no finer Christian gentleman.

Therefore, it is our desire that this, the 1950 Eagle, remain a lasting memorial to his cherished memory.



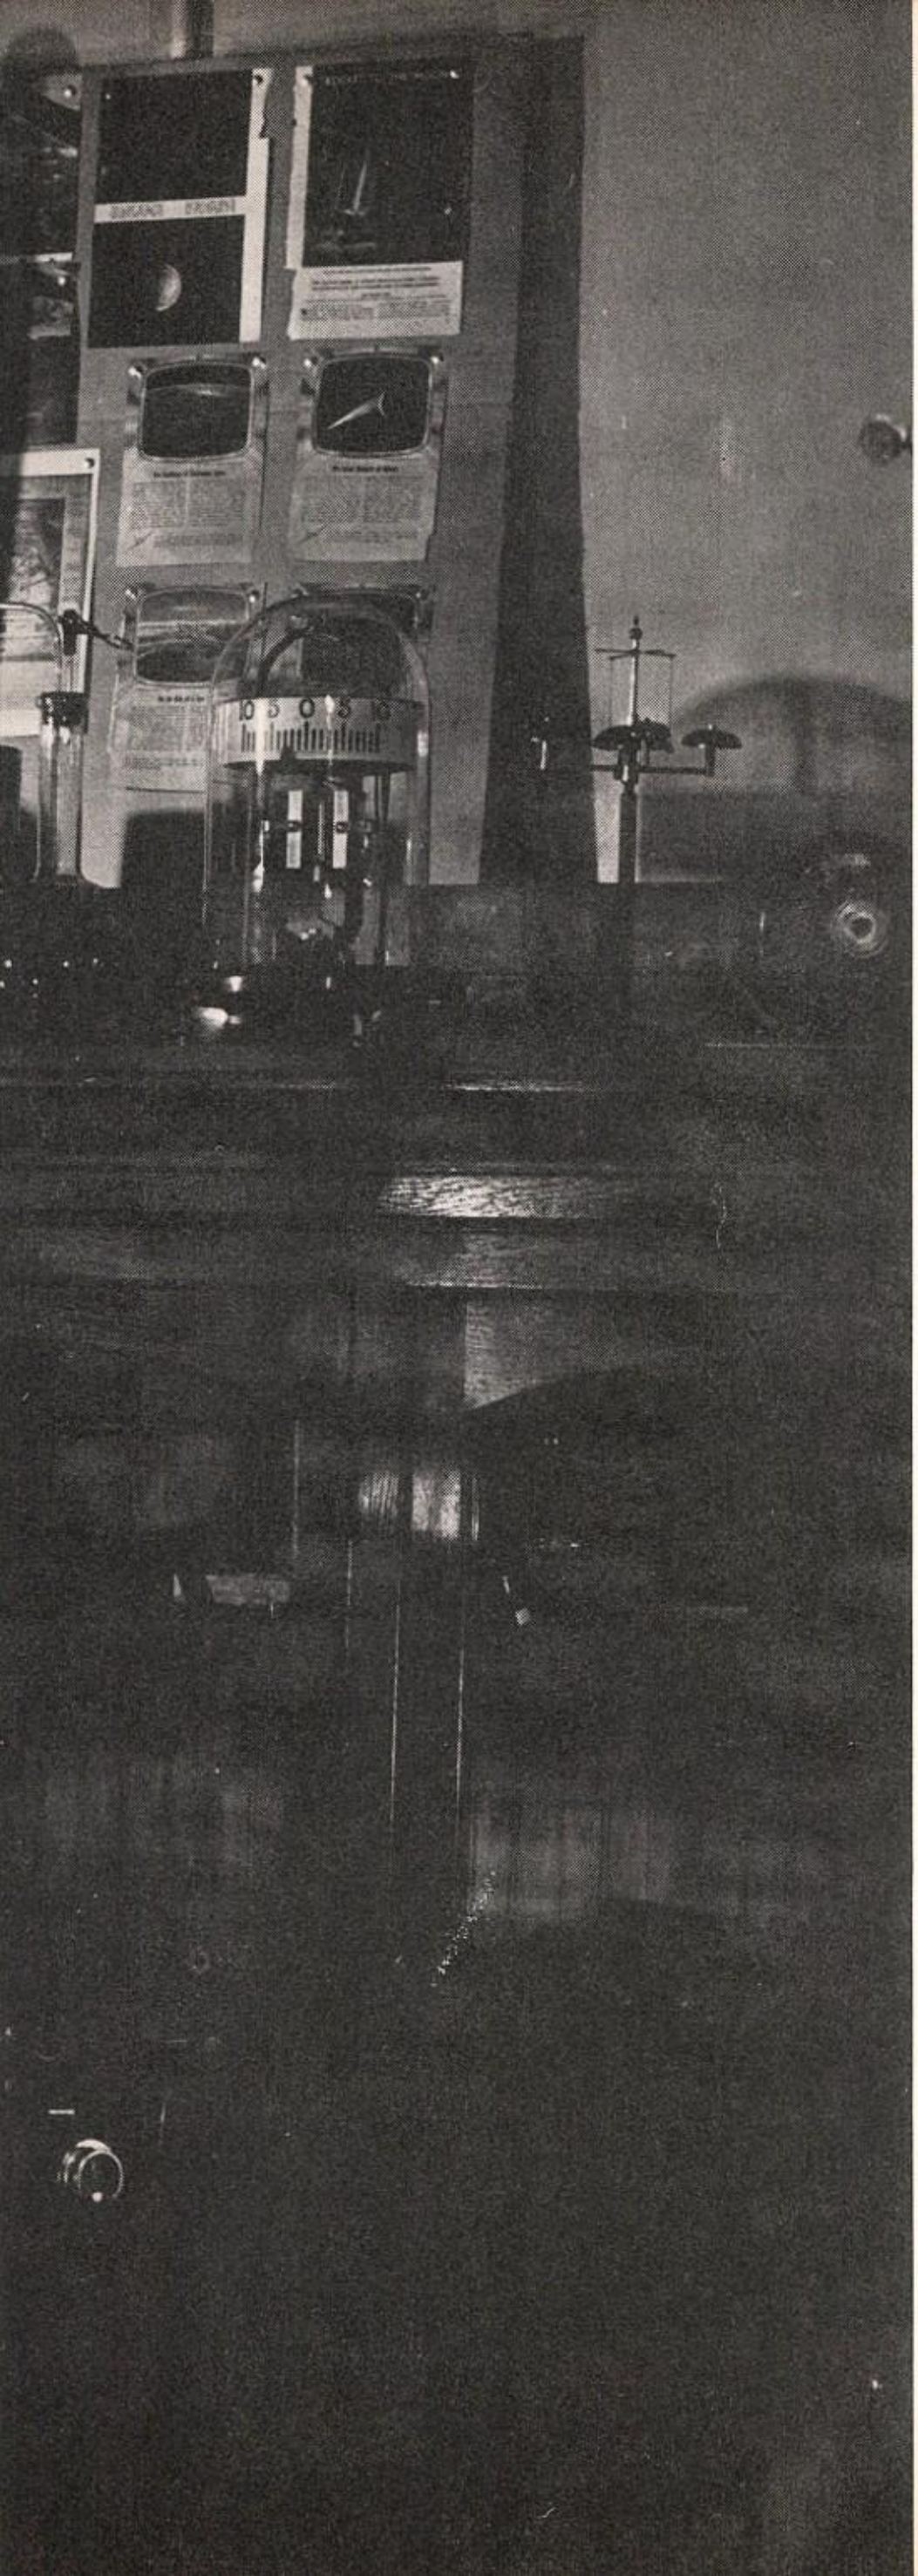
One Hundred Years in America

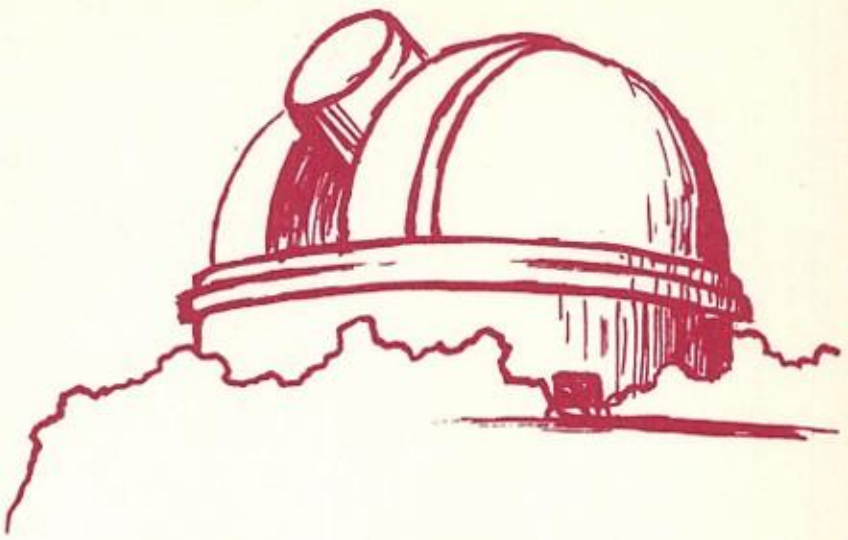
The year "1950" A. D. marks a half turn of the century and a Triple Centenary for the Society of Mary in which they celebrate the coming of the Marianists to America, the establishment of the University of Dayton, and the death of the Society's saintly founder, the Very Rev. William Joseph Chaminade.

The celebration of this centenary is a commemoration of past progress as well as a dedication to future achievement. It is at once a prospect and a retrospect. The Society of Mary stands upon the threshold of the second century of her coming to our country, and it is with no weariness in well doing, with no sigh or semblance of decay that she steps forward into the new era of her progress.

The past is with God; the future is for Him.

ASTRO-



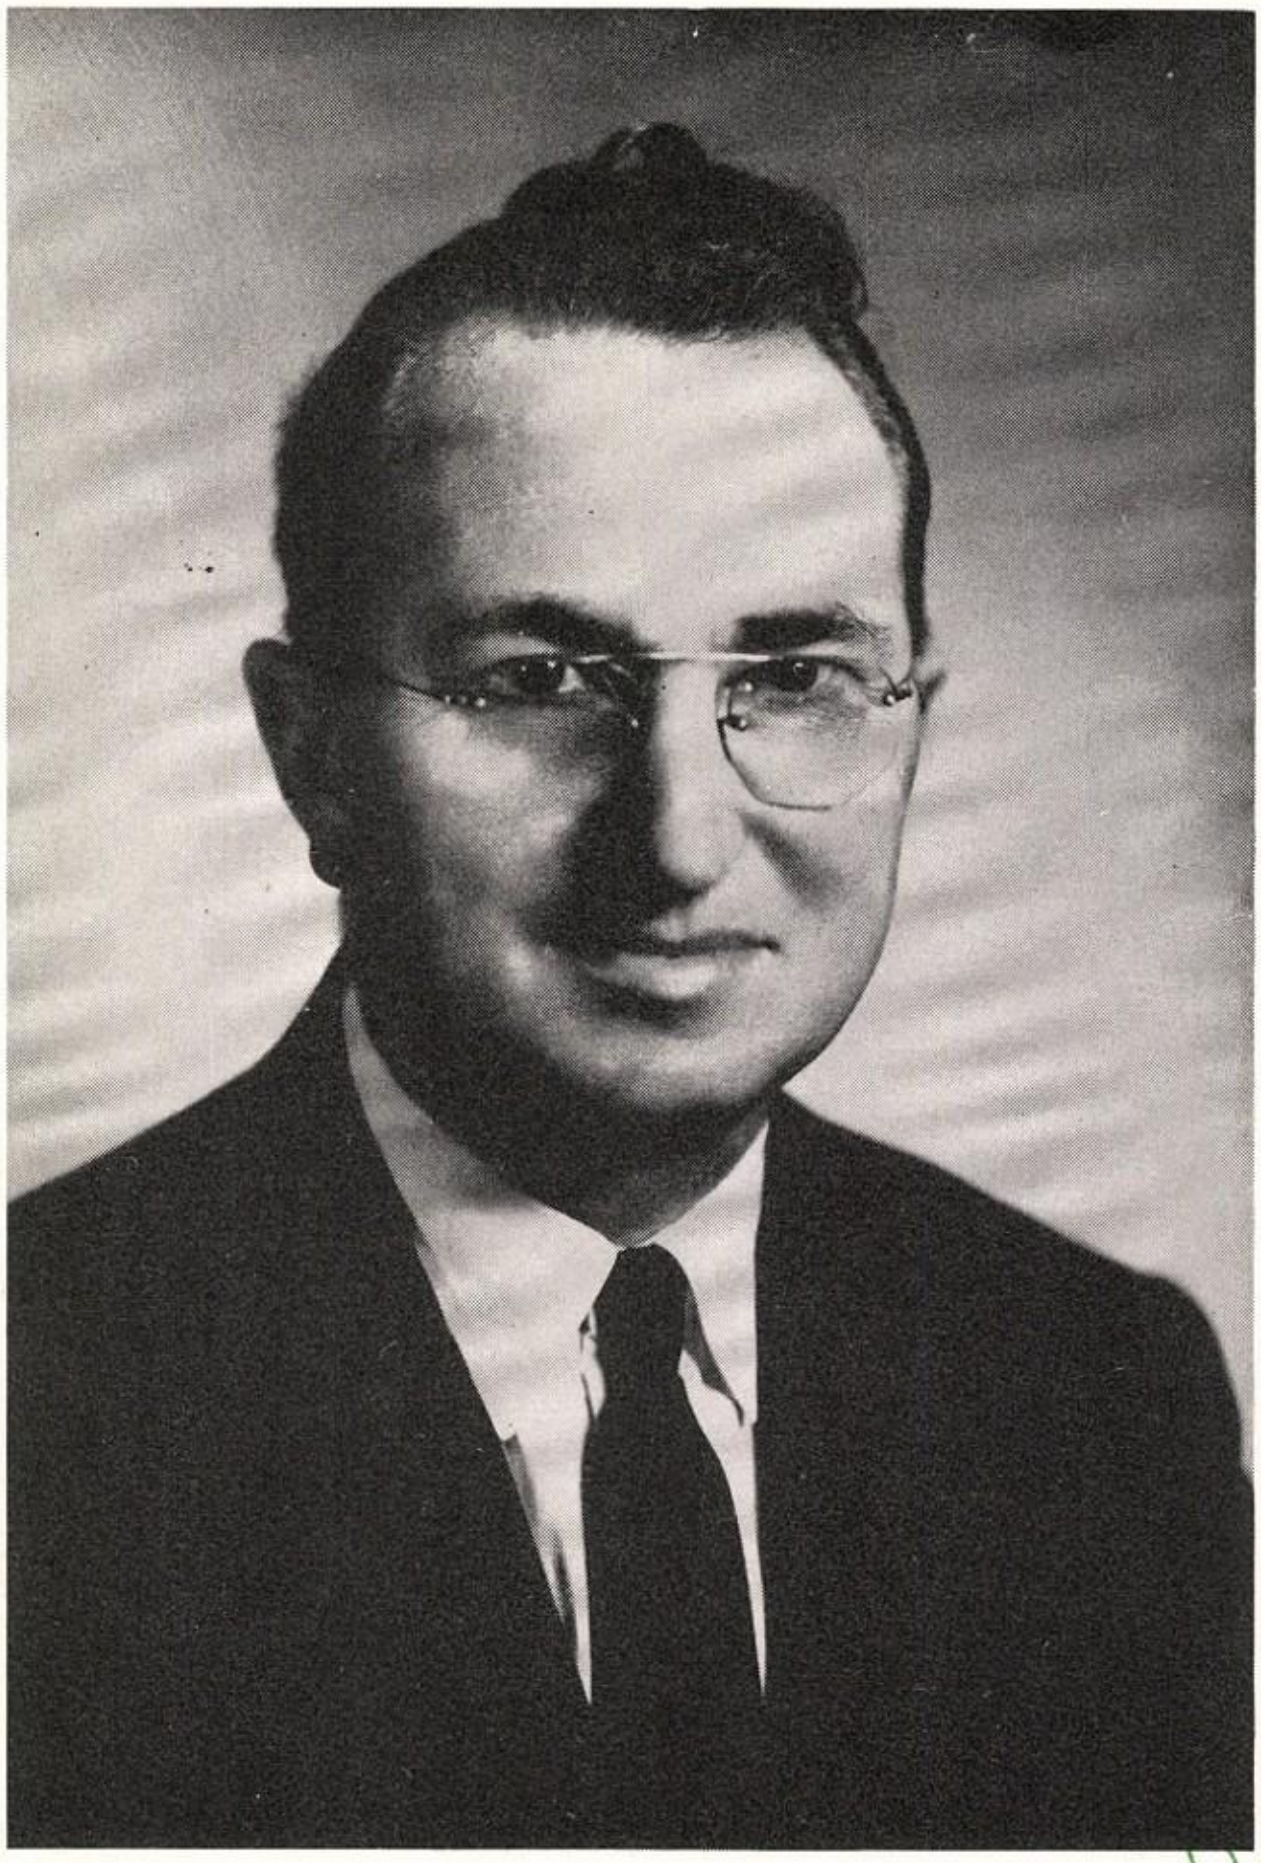


Our Faculty

The Catholic education is the complete education. Without it those glittering stars of Happiness, Success and Salvation to which we aspire would hover far beyond our reach.

To you, our faculty, we owe an immense debt of gratitude. You have consecrated your lives to Our Mother, Mary, through the education of her youth. You have imparted to us more than mere book learning. You have taught our souls. You have moulded our character. Now as we rise into that great unknown, Our Future, your unselfish efforts are crowned with success.

Sons of Mary, we salute you!



Brother Matthew

Brother Matthew G. Betz, S. M.
Principal

Dear Graduates:

Ours are difficult times, and it surely does not require too much imagination to picture youth standing at the crossroads. Let's look at a scene of what could be the graduation exercises of any Catholic high school.

The audience, several thousand, is made up of friends and relatives of the graduates. The dignitaries are ushered to their special places, and we can almost sense the feelings of the parents of those soon to be honored. For them, this night repays in great measure the many, many sacrifices it cost them to provide the best in education for their son. Organ music accompanies the solemn processional, an impressive sight of charming young manhood moving slowly toward the flower covered platform. We can see that special attention has been given this evening to a sparkling exterior. The graduates have reached their places and the program begins. The audience listens attentively as one of the members of the class delivers his address on this crowning night of his high school years. This is followed, perhaps, by a musical selection and then another speaker. Finally, the climax of the evening—the awarding of the diplomas. The school anthem is sung and another class has been graduated.

What are the thoughts of your faculty on such an occasion? Yes, we do have a certain pride in the accomplishments of our students; but this is something superficial, and the past soon gives way to thoughts of the future. We see you, each one of you, at various times standing at the crossroads. We see you hesitate and then make your choice. We wonder how you will meet the many problems which will confront you in the years which lie ahead. You will need more than ever before the realization of your obligations connected with the many perplexing moral problems in the business, social, and political world. Will you realize that you are living at a time in which no achievement can easily be attained? That adventure and pleasure are not life? Will you be convinced that this is not an age of amateurs? Your choice at the crossroads will determine your eternity. We have supplied you with the answers to these problems and have trained you in the self discipline required to make the proper choice. For the past twelve years, you have received formal training in the service of God, love for your neighbor, and duties toward yourself. The example of your parents, your priests, your teachers, and your classmates should help you turn in the right direction. You have told us that you were loyal to God, to your country, and to your fellow men. You have followed your Credo. You have shown a generosity and a willingness to do difficult things. You have loved your school and co-operated with your faculty. You have manifested the spirit of the true Christian, the Christian as Christ wishes him to be.

Our thoughts come back to you at the crossroads. Standing with you is Our Blessed Mother; and knowing your devotion and love for her, our doubts have cleared. Your choice is a confident one, and you move forward with the thought that our prayers are with you whenever you come to the crossroads.

The applause is over; you have begun the recessional. God bless you and Mary protect you, our Men of Chaminade.

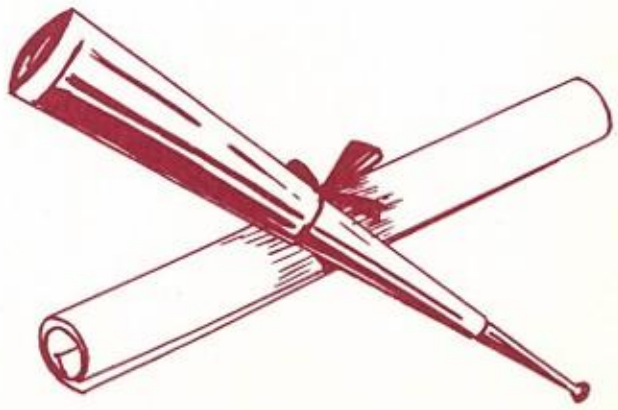
Graduates

With happy high school days behind us, we, the graduates of 1950, turn our eyes toward those shining goals: happiness, success, and salvation—the stars within our reach.

With shimmering brilliance our shining ideals beckon and at the same time hurl a challenge of conquest to us from their lofty constellation.

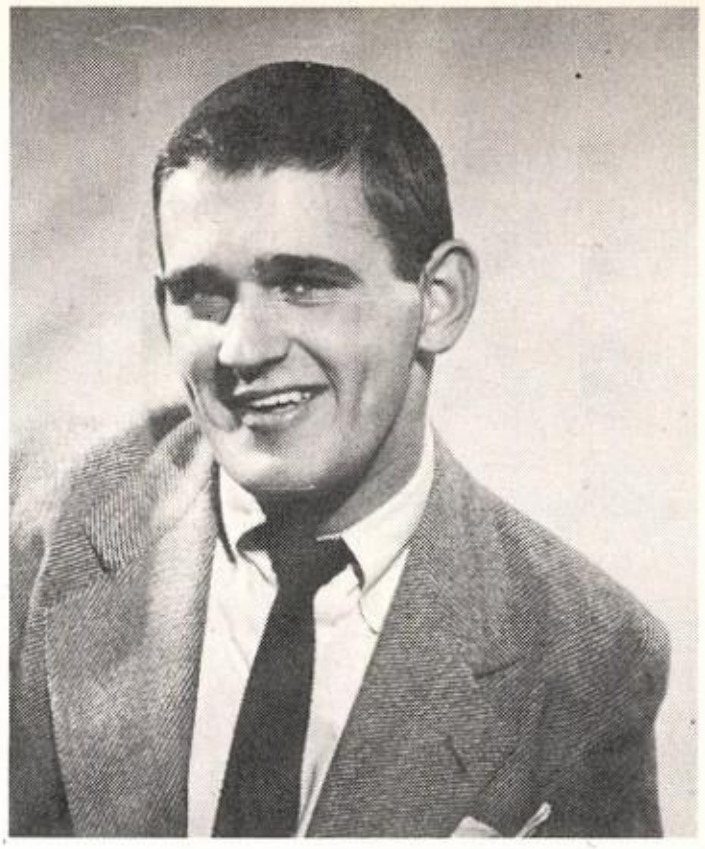
We embark on our quest in times wrought with chaos and impending calamity, yet we do not fear. We, as Catholics, have richly benefitted from our years of Catholic, Marian education. Our faith and our youth will not be denied, and thus strengthened we will bring those stars, which we seek, within our grasp.



Senior Class Officers

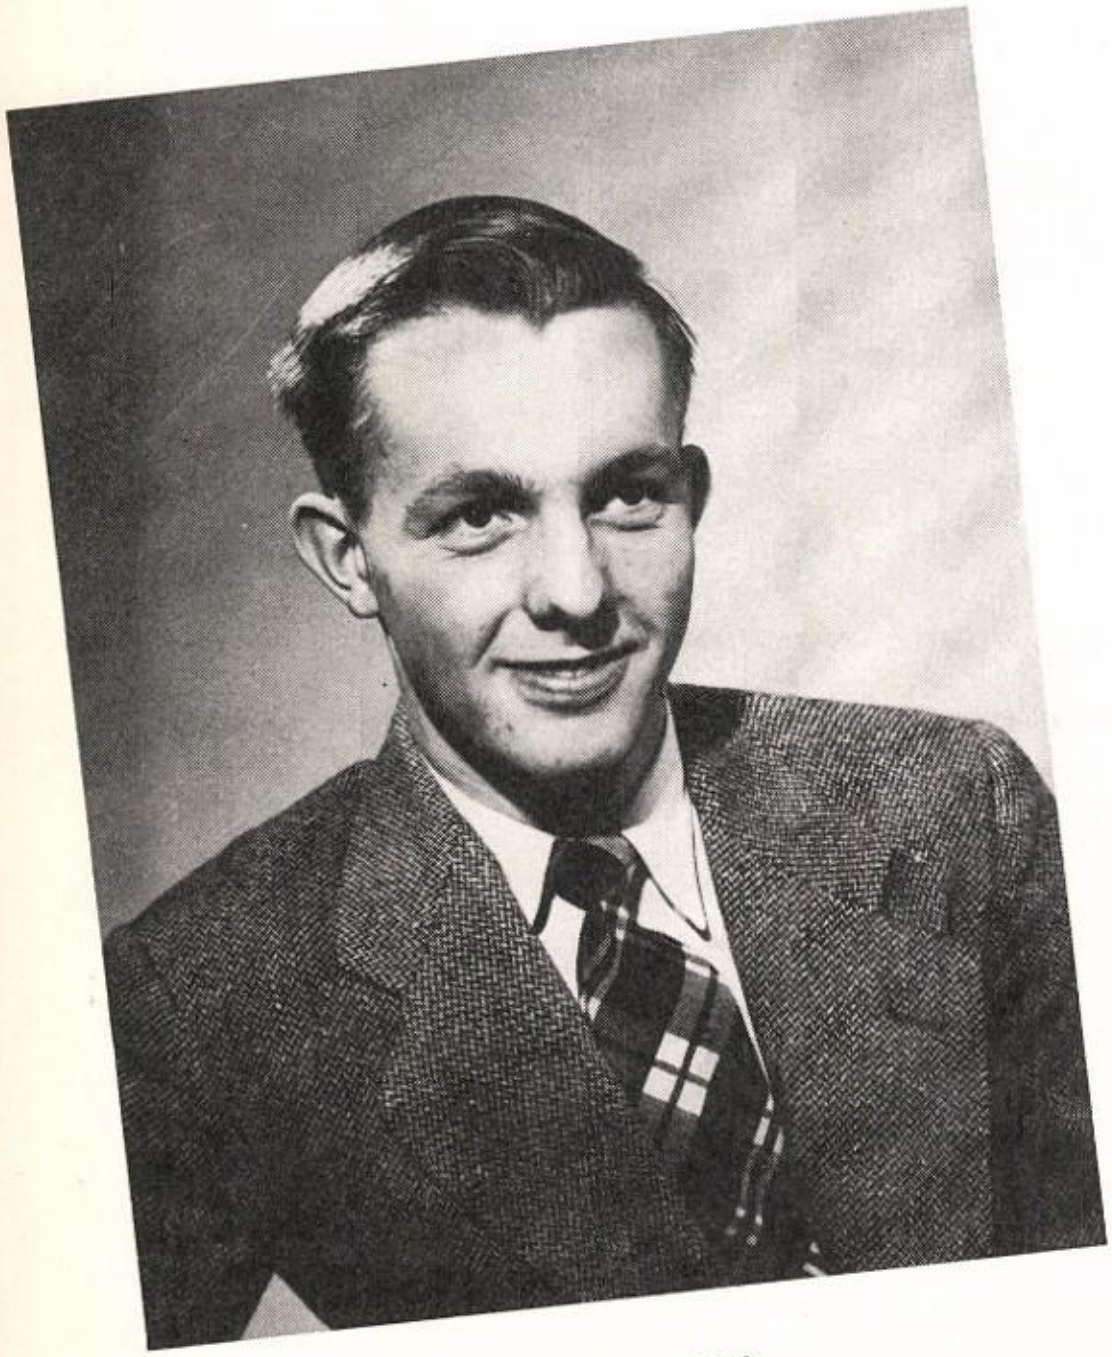
Congratulations are hereby extended to you, our class officers, on a job well done. The success of the Class of "50" has been due in a large measure to your conscientious efforts. The responsibility of "setting the pace" for the class throughout the past year has fallen upon your shoulders.

We have enthusiastically supported your every project for the betterment of Chaminade while you on your part have distinguished yourselves by capably dispatching the duties and responsibilities entrusted to you.



David Albro — Vice President

Emmet McIntosh — Secretary



CARL SMITH
President

Harry Bonbright — Treasurer

Standing: Fred Blommel, Richard Dierkers, James Tunney, Gerald Heberle, James Heider, Eugene Koverman and James Meyring. Seated: Patrick Foley, Carl Smith and Karl Zengel.

National Honor Society

The Senior Class points with pride to the ten men who comprise the 1950 Marian Chapter of the National Honor Society.

To qualify for membership in the National Honor Society, they have maintained an overall scholastic average of ninety per cent or better and a character rating of at least ninety-five per cent throughout their four high school years. Furthermore, they have each been active in at least two schoolwide organizations during the same period.

These men richly deserve our congratulations. They have clearly demonstrated their ability as leaders.

Our Years

1946-1947

Having drawn the curtain on our grade school days, we entered Chaminade with the idea that we had finally achieved manhood. We were now on the threshold of a new phase of life. We did new things and were proud to display to our fair city that we were Men of Chaminade, the pride of Dayton.

We soon acquainted ourselves with football rallies, the different organizations in the school and, of course, settled down to careful, concentrated labor. What a year! It closed for us full of happy retrospection and rich in pleasant thoughts of the years to come.

1947-1948

Sophomores! Ah, what a word! We were among these designated by that name. We knew it all; that is, until we learned that it meant wise fools. We moved up to the main building and, at last, felt that we were finally on the "inside."

Some of us won great acclaim on the gridiron and hardwood floor. Some again shone as scholastic leaders. The days were packed with everlasting memories. Pop started to relent and gave us the family car. The formals came fast. Ah! Those were the days, eh fellows?

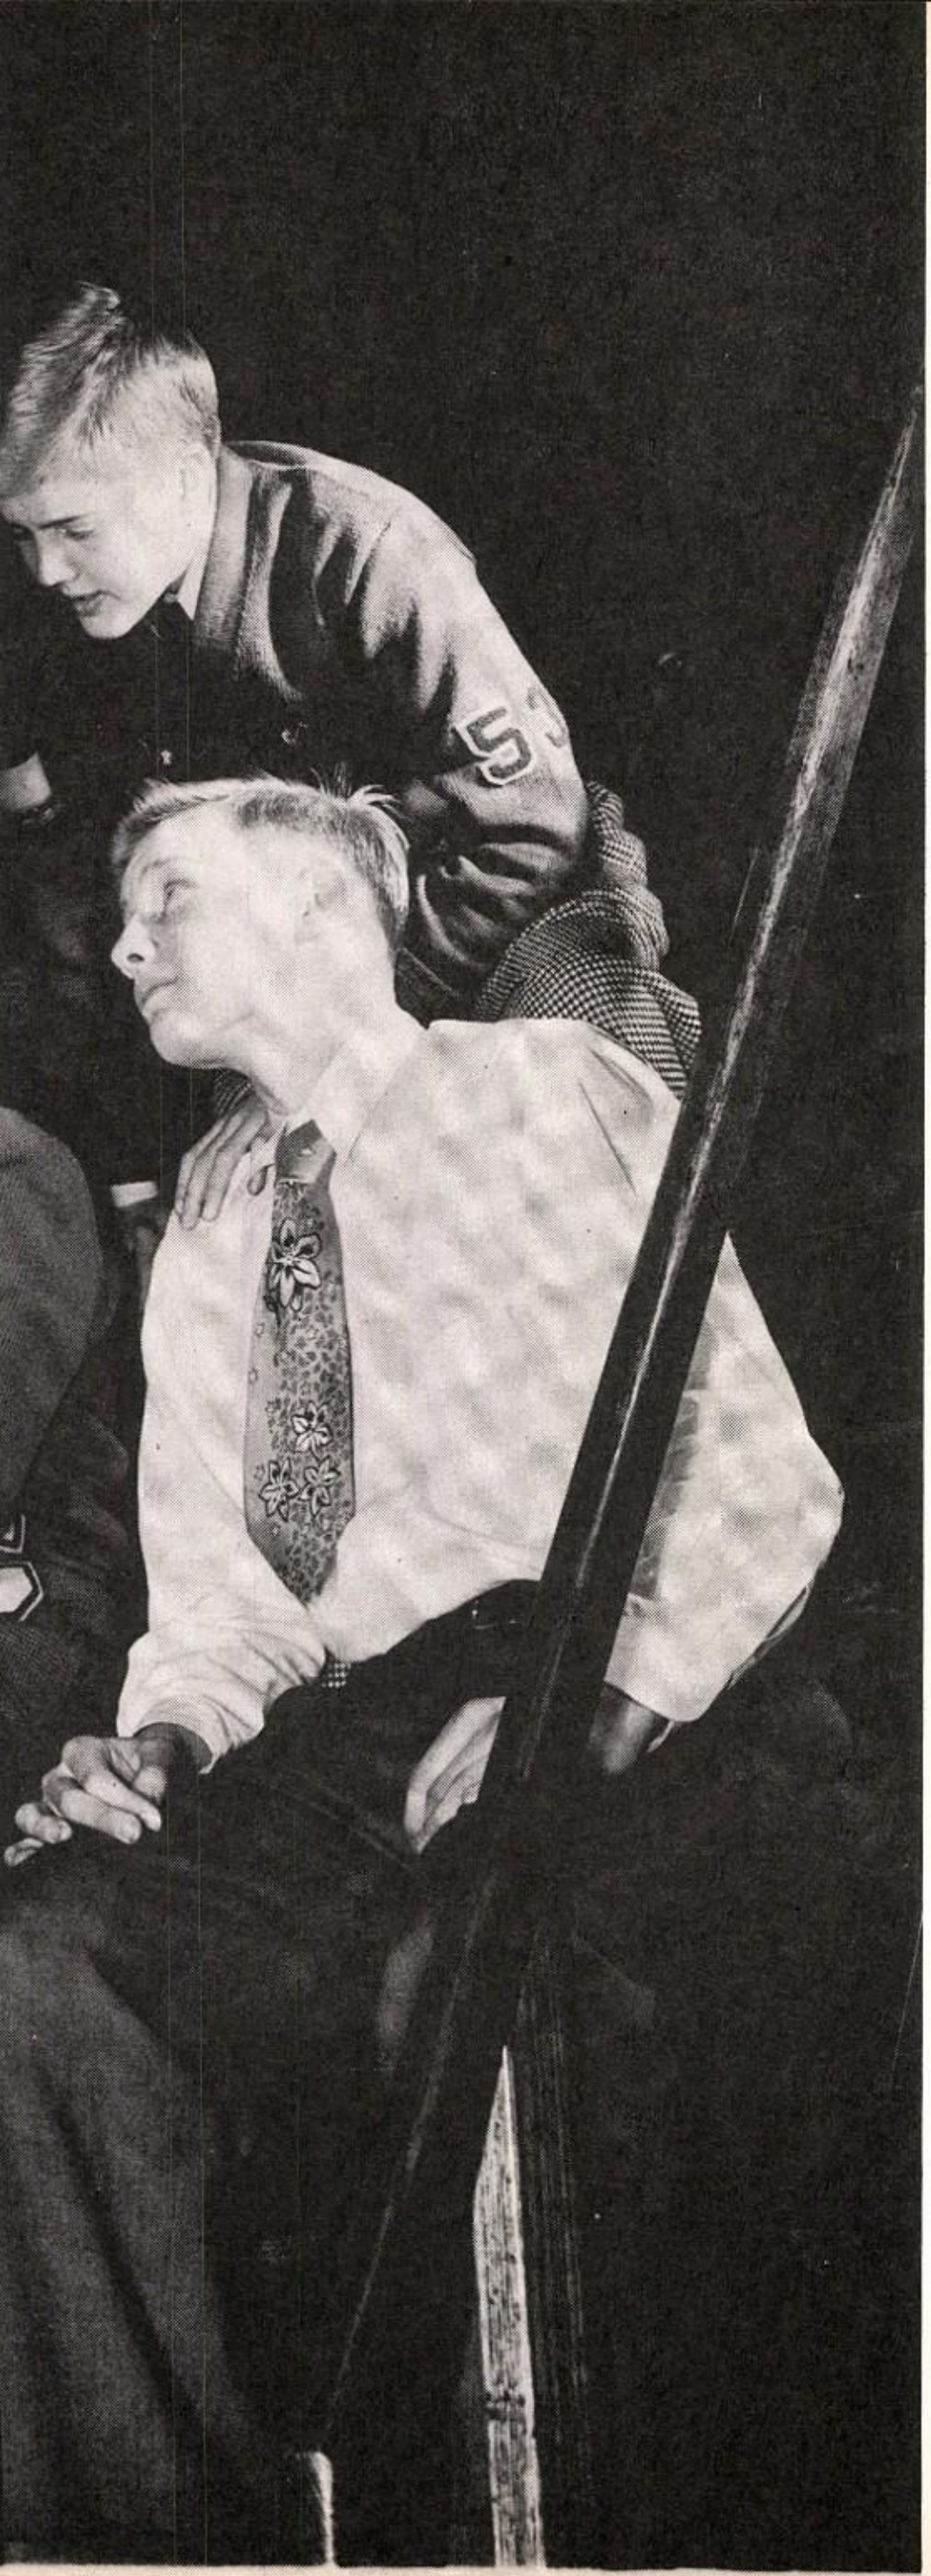
1948-1949

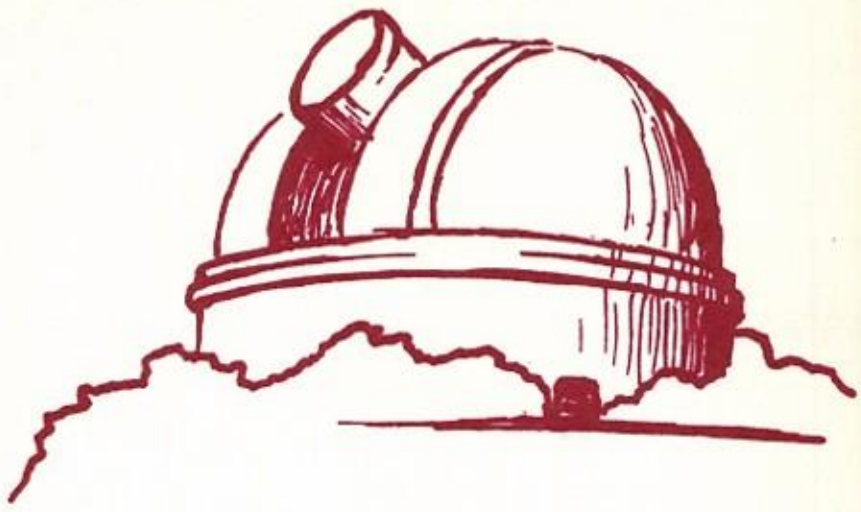
Well, we finally made it. We now were upperclassmen; and if anyone addressed us to the contrary, we were ready to do battle. We look back and remember the scourge of our team on its other local grid opponents. What a feeling it will be when we can say, "I was there when....." We certainly left that year in fine style. Remember how proud we were when, dressed immaculately, we drove to the prom. We were elated over the thought of becoming Seniors.

1949-1950

The Senior year, the beginning of the end. We looked ahead and planned for the future. After June the first, we would no longer reside within the confines of our alma mater. The football team again proved its prowess by claiming the city championship. Our school spirit ran high. Then came the day, graduation. We found ourselves a little sad to leave the old brickpile.

Our History does not end here, however. It is just starting. We leave these halls with principles of work and prayer motivating our actions. With the help of Divine Providence, we resolve never to forsake them. Now we are ready to enter the world and play our part as true Men of Chaminade.





Underclassmen

Lest we forget, there are stars within your reach too, but they are far off. Today you plan, study, pray and wait for the Tomorrow that will be yours, your day to soar in search of those celestial rewards that we, graduates, seek today.

Now graduation, and the diploma it will bring, seems far off. Ah, how you dream of that high school diploma, your passport into the future. But remember a blank passport is not an insurance of success as some mistakenly believe. Each of you, through your scholastic efforts during these formative years is writing in his destination on that blank passport. Keep in mind as you dream of the future, your diploma is what you make it now, a passport to the sunny climes of success or the dismal depths of failure.

Your time is short enough. Use it well, so that when graduation comes you will find within easy grasp those stars within our reach.

Juniors . . . Come into their own as upperclassmen.
Studious . . . Fun Loving . . . Energetic.

Juniors

Junior "A"

"First in the alphabet and first in the Junior division" could be considered the motto of Junior A. They led the Juniors in all major campaigns with the exception of Brother John Hall's famed Stamp Drive. With only two members listed in major sports, they boasted of members in all other activities of the school.

Herb Motsch, Dick Brown, Vic Vallo, and Dick Doody were the able class officers that led Junior A to true leadership in its division.

"H-m-m-m-m . . ."

Junior "B"

"B" was never known to start off with a "Bang" but once it started to roll it couldn't "B-Bop'd." The class was represented in sports by five football and three basketball players. "B" was also the homeroom of Jerry Hagan, master of Fuzzy's T-formation, and Bob Kern, master of wit and comedy.

The leaders, Don Jones, Bob Eilerman, Jerry Hagan and Bob Daley, formed a dollar-a-month club to boost the building fund.

Baffled without his logrythyms Tom Kalt nevertheless tackles this rugged problem, slide rule in hand.

Junior "C"

"C" is the class for whom Brother John Hall has the greatest regard as they managed to hold first place in the Junior division stamp drive. Although it wasn't first it managed to hold its own in the other major drives.

C's representatives in sports comprised Russ Sweetman, gridiron great, and Jim Nolan, hardwood specialist. Jim Nolan was also president of the class; his fellow officers were Bob Meacham, Vice President and John O'Neil, secretary and treasurer.

Junior "D"

Small in membership but game and undaunted in spirit and effort, Junior D, composed of only twenty-seven students, had managed to keep abreast with its fellow classmates in the Junior division. In the field of sports, Junior D was loaded, as it numbered eight gridiron greats and two members of the hardwood squad. Babe Perkins, the "little giant" of sports, was the most popular member of this class.

Don Hess, Babe Perkins and Joe Keleman were Junior D's class officers.

Junior "E"

Junior E was the unpredictable class of the Junior Division. In some drives they tied for top honors while in others they never seemed able to rise above the middle bracket. "E" was the proud homeroom of Golden Eagle, Bernard Fox. Two of its class officers, Jerry Kauth, president, and Don Stemley, vice president, represented the class on the football team, while Don Shumard, all-city center, was a tower of strength on the basketball team. Clem Quick and Jerry Lukacs were the other two class officers.

Sophomores

Sophomore "A"

Call it a monopoly, a trust or a cartel, the name means little—the fact remains that Sophomore A managed to dominate the honor roll throughout the year. Athletics claimed two of its members, Tony Krystofik in reserve basketball and Al Scarpelli in varsity football. They led the division as well as the school in the Turkey drive and made a fine showing in the other drives. Tod Egan, Ed Esser and Bill Saunder were the elected officers of 2 A.

Sophomore "B"

Sophomore B was the class with three athletic officers. The president, Bill Sommer, was a varsity football player as was Bill Eisenhauer, the treasurer. James Omler, the Veep, played reserve basketball. The other officer was Don Wellmeier, secretary. There were, however, three other class members in athletics. Although claiming two spirited cheer leaders, they failed to register high honors in school drives. "2B" or not "2B" that is the question.

"It's your turn," Ronnie Schmiding whispers to Richard Dix.

Sophomore "C"

Referring to themselves fondly as "Cliff Koenig and His Motley Crew," members of Soph C have blazed somewhat of a trail of glory across the scholastic year of 49-50. (Somewhat? We wish we could be more definite.)

Allen Arbor, president, was on the honor roll the year round, Tom Bramlage, the vice president, was elected the wit of the class. The other class officer, Al Burger, represented "C" on the reserve basketball team along with three other classmates.

Larry Spatz, Bernie Staub and Pete O'Brien led the famed men of Room 215. Like argyle socks—bright, colorful, and closely knit—this class fitted perfectly into our complicated system which calls for an organization within an organization. The "D-men" sparkled in the Marianist and Stamp drives to take a first place in the final results. In these contests, they showed their true colors—a loyal Green and White.

Fifteen members of the class were in the C.S.M.C. while the honor roll claimed none.

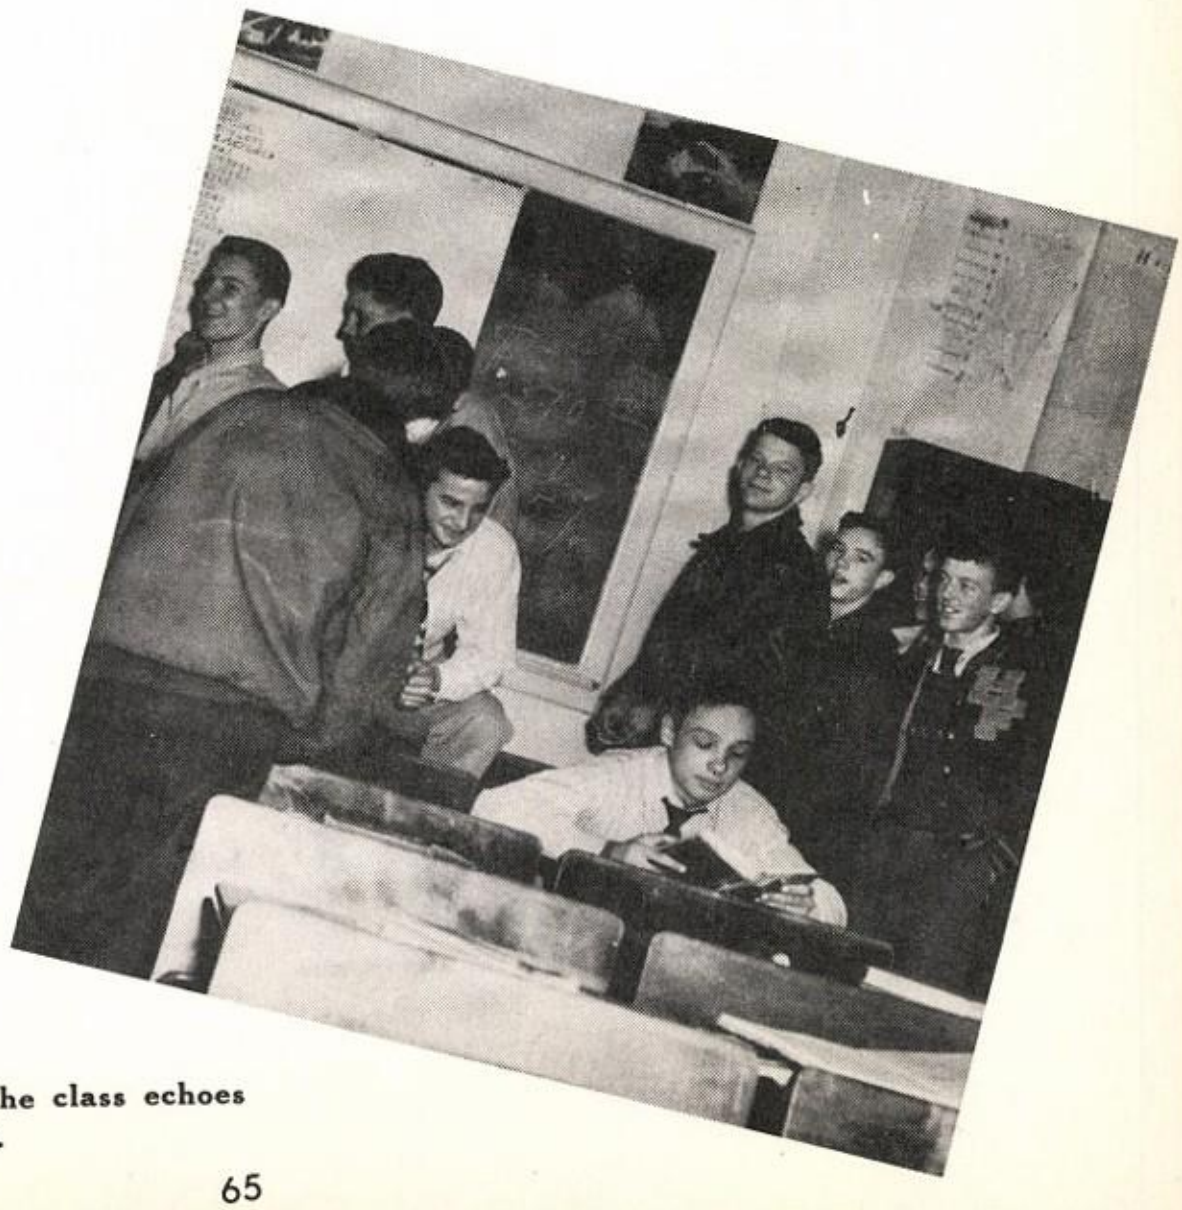
Sophomore "E"

A friendly class keynotes Sophomore E. It has shown itself capable of running its own affairs under such able officers as Paul Horn, Jack Baber, Ralph Wymer and Greg Wonka. The Tax Stamp and Marianist Drives receive more support from that "2E" spirit than did any other of the school drives. "E" has claim on five of Bro. Joseph Trageser's music makers, as well as scattered membership in other school organizations and athletics.



"Good-bye and study hard!" the class echoes to Buzzie Farm.

Sophomore "F"

Determined to be the class with "the mostest of the bestest," Soph "F" set about immediately upon the opening of the scholastic year to disperse themselves among the school activities. Backed by this purpose, they became more than passive members in these organizations, and the roster of all school clubs, except for "The News," bore the names of members of Soph "F." Their officers for the year were Rob Volk, John Fromholt, Ed Diekers and Charles Seyfferle.

Freshman "A"

Completing the first year of their tenure at Chaminade, Freshman A have compiled an inenviable record in all of their activities and have set a fast pace for all other competitors. They have the distinction of having led the school in two major drives, and of having placed the greatest number of students on the honor roll in their division. They were represented in sports by four reserve football players. The band also claimed six of their members.

The leaders of this spirited class were: Dick Poeppelmeier, Jack Fader and Ray Kuntz.

Doolin, Miller and Sendelbach avoid the pleading calls of Dan Nealon.

Freshman "B"

Students of Freshman B have made the most of their first year opportunities at Chaminade to establish themselves solidly in studies and in extracurricular activities. Class officers were: Phil Hook, Gerard Faust, Bob Klopf and Jack Hughes. Four "1B" men bolstered the membership of the football team while five of them increased the ranks of the basketball team.

Its record in school drives was nothing too spectacular, but these eager B'ers have the right foot forward. Watch them grow.

Freshman "C"

Football, basketball and the band are the chief interest of "C." A rather quiet class, you might say that "C" fitted the title of a song called, "Comme Ci, Comme Ca." With Don Miller, president; Melvin Schubert, vice president; Jack Schmitz, secretary and Ray Struwald, treasurer, "C" always showed the mettle of Champions in the various drives. Though they never hit their stride, these Men of Chaminade have the stuff of which true Champions are made.

Freshman "D"

"The saddest are these : It might have been." Freshman D resolved not to let the "might" appear in its epitaph, and set about early in the school year to become thoroughly imbued with the Chaminade Spirit. Dick Maurer, Dick Fitzpatrick, Bill Yanlin and John McCarthy were elected to lead the class. Their efforts speak for themselves. Though they never won a first they always managed to keep a second place, 2D had within its midst a sport celebrity, Jackie Furderer, the speed merchant of the gridiron.

Freshman "E"

"Men of Chaminade" the class of Freshman E has in one year proved its loyalty, zeal and generous spirit of co-operation by becoming recognized as real men of Chaminade. Gale Fella, Don Dicker, Alan Hansfeld and David Finke were the class officers that kept the class closely knit and above the middle in all drives except one. "1E" also boasted of two members on the varsity football squad, Dan Dwyer and Gale Fella. A spirited class, Freshman E entertained their division with a special Christmas assembly.

Aw! Come on ya big bully! Ron Worman and Johnny Mantia.

Freshman "F"

A slow starter "F" has gradually built up a fine class spirit. The men from "F" are represented in many clubs, such as the C.S.M.C., the Boosters, Football, Basketball and the Band. "F" has made a fine showing for itself, and at the end of its first year at Chaminade, has claimed a position as a leading class. Tom Heider, Tom Travis and Jerry Kruesch were the men elected to manage the activities of the class, and have proved to the school that "F" stands for that old Chaminade "Fight."

Religion

Our primary objective among those stars within our reach is, of course, that most lofty goal, eternal salvation. All worldly success and natural happiness means nothing to the man who, in the end, loses his soul. Thus, the goal of Christian, Catholic education has ever been the accomplishment of man's salvation through work and prayer.

Here at Chaminade every student has an opportunity, through the reception of the sacraments and the incorporation of prayer into every good work, to observe the intimate, inseparable union of his faith and everyday living.

The appreciation and practice of this divine union in our lives mean we have already taken a great stride forward toward that brightest star within our reach.

Ever Happy in the

Realizing that when a student enters the halls of Chaminade, his school life forms the major part of his interests, and that the ties between him and his parish are somewhat laxed, the CSMC inaugurated the placement of members into their respective parish groups. In this way, not only did the school benefit from their competitive spirit, but also the parishes who found in their former pupils a renewed interest in parish activities.

Among the numerous projects undertaken by the CSMC, this year were the exemplary Benedictions, the well-attended novenos for the beatification of Fr. Chaminade, the daily rosary during the month of October, the Catholic Authors Contest, and, last but not least, the pride of the Catholic high schools of Dayton, the Bishop Thill Conference so well attended by the joint forces of Chaminade and Julienne High Schools.

Work of Our Lady

Highlights of the year's activities were the impressive consecration ceremonies held at Emmanuel's Church on the afternoon of March 27th. Needless to say, it boosted the importance of loyal and devoted services as an active member of the C.S.M.C.

Commendable to relate is the fact that several members of the C.S.M.C. collaborated with their pastors and formed a sodality group in their parishes. Through such organizations, the students were able to undertake various spiritual and recreational projects centering about their parishes. For example, they sponsored parish socials and organized the Catholic youth of the parish to participate in a monthly general Communion Mass.

These students, who have made the training they received as members of the C.S.M.C. functional, are giving good example to their fellow classmates and stand as a challenge to their apostolic spirit and organizational ability.

Swift Wins Contest

Once again Chaminade has produced a winner. Frank Swift of Senior A, an enthusiastic young artist, came through with flying colors in the annual CSMC poster contest. The subject of this year being the Church Unity Octave, Mr. Swift depicted the peoples of different faiths, linked together as a result of our prayers and sacrifices. Here we see him showing his winning poster to Brother Matthew Betz.

Bishop Thill Conference

One of the best conferences witnessed in Ohio was that held at Julienne High School. The Japanese, Chinese and Puerto Rican students of the University of Dayton explained the colorful displays of their respective homelands; and the Hawaiians and Julienne girls provided the entertainment. The conference instructed the members in the progress made by the Sisters of Notre Dame and the Marianists in Dayton. A century of progress was the theme of the conference which proved both instructive and entertaining.

Father Chaminade Celebration

The year 1950 was one of great rejoicing and celebrating here at Chaminade. And much was there to celebrate. In October, a Solemn High Mass marked the official opening of Chaminade's Centennial Year. In January, displays and marionette snows commemorated the coming of the Brothers to Dayton, and a second Solemn High Mass sung by the student body marked the the anniversary of the death of Father William Joseph Chaminade, Founder of the Marianists.

Under the able direction of Brother George Ruppel, seven boys of the junior division colorfully displayed the difficulties of travel in the days when the Brothers first came to Dayton. With the use of marionettes, five Brothers retold their interesting adventures.

Students In Retreat

Since this would be the last retreat for the seniors, Fr. Ferree discussed many problems facing the graduates. His excellent explanations concerning Christian love and vocations erased many false notions and supplemented them with sound Christian principles.

Men of Chaminade attend Holy Mass.

In the true spirit of a retreat, the Men of Chaminade paid close attention to the sermons of Fr. Richard Brand, the retreatmaster, attended Holy Mass, and made frequent visits to the school chapel. As a result, the spiritual morale of the school was raised. Daily communions increased, Benedictions were given to a capacity chapel, and students made a marked effort to follow their retreat resolutions.

The Junior Class

of Chaminade High School

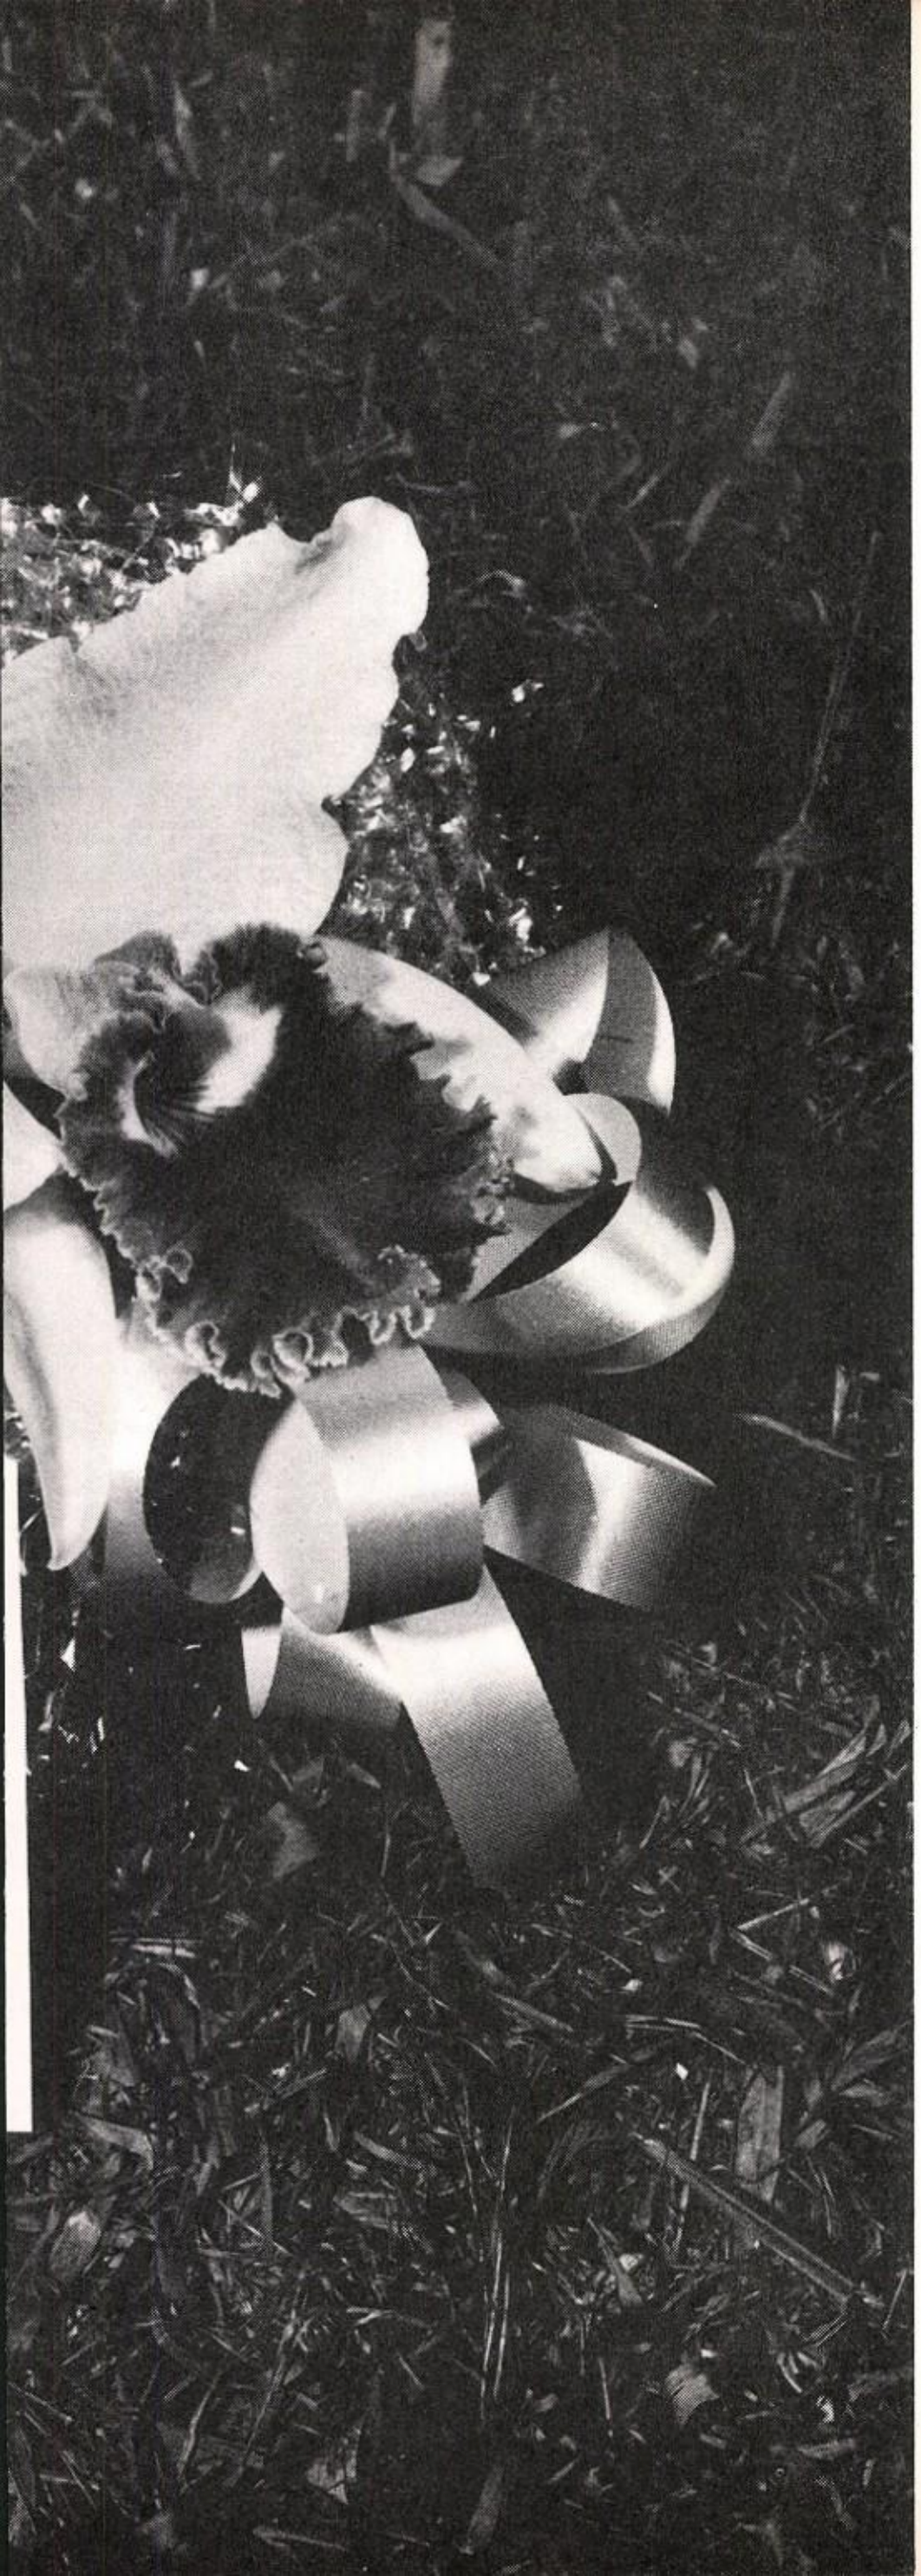
invites

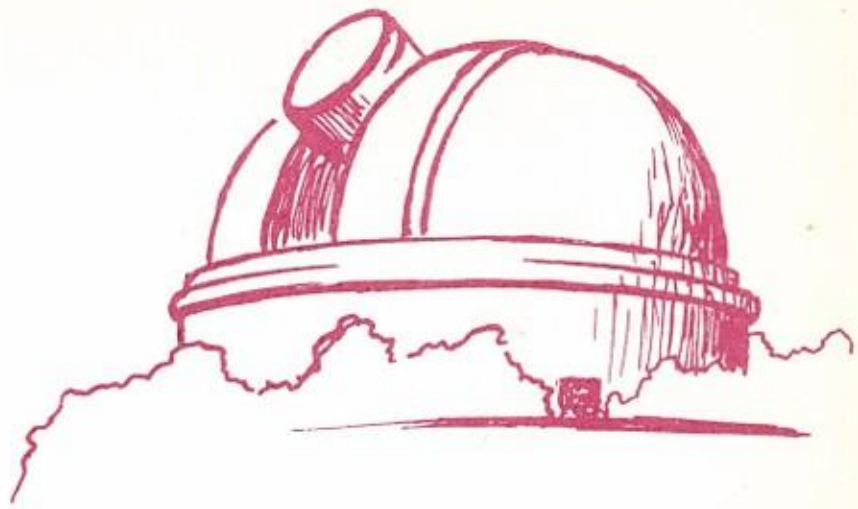
Carl Smith and Lou Tarlano

To the Senior Promenade

on April 21, 1950

Wampler's 9:30 p. m.





"We'll Build a Stairway to the Stars"

In a large measure, the success and happiness we shall attain in later life depends upon our ability to meet others on an equal social footing.

Since, to a great extent, man's contact with society determines the development of his personality, social activity plays a definite role in Christian education and represents an important step towards those very desirable goals of success and happiness, stars within our reach.

Chaminade Reaches Social Summit With '50 Prom

King of the Prom, Carl Smith and his date, Queen Lou Tarlano.

Straying from all precedents, the Junior Prom Committee under the competent direction of Brother Elmer Moore elected to make a few drastic changes in the traditional Chaminade Prom. Trying to avoid the annual graduation congestion which June always brings, the committee saw fit to move the Prom date to the twenty-first of April. It was decided by a Senior popularity poll that Earl Holderman and his music makers would handle the orchestral rhythm at Wampler's Barn. Contrary to foregone Promenades, this dance was attended exclusively by members of the Junior and Senior classes and was strictly formal.

Combining all these and many other new ideas, the Junior Class succeeded in making the 1950 Promenade the tops in the history of the school. With this in mind, the Senior Class of '50 extend their heart-felt thanks to the Junior Class for a job well done.

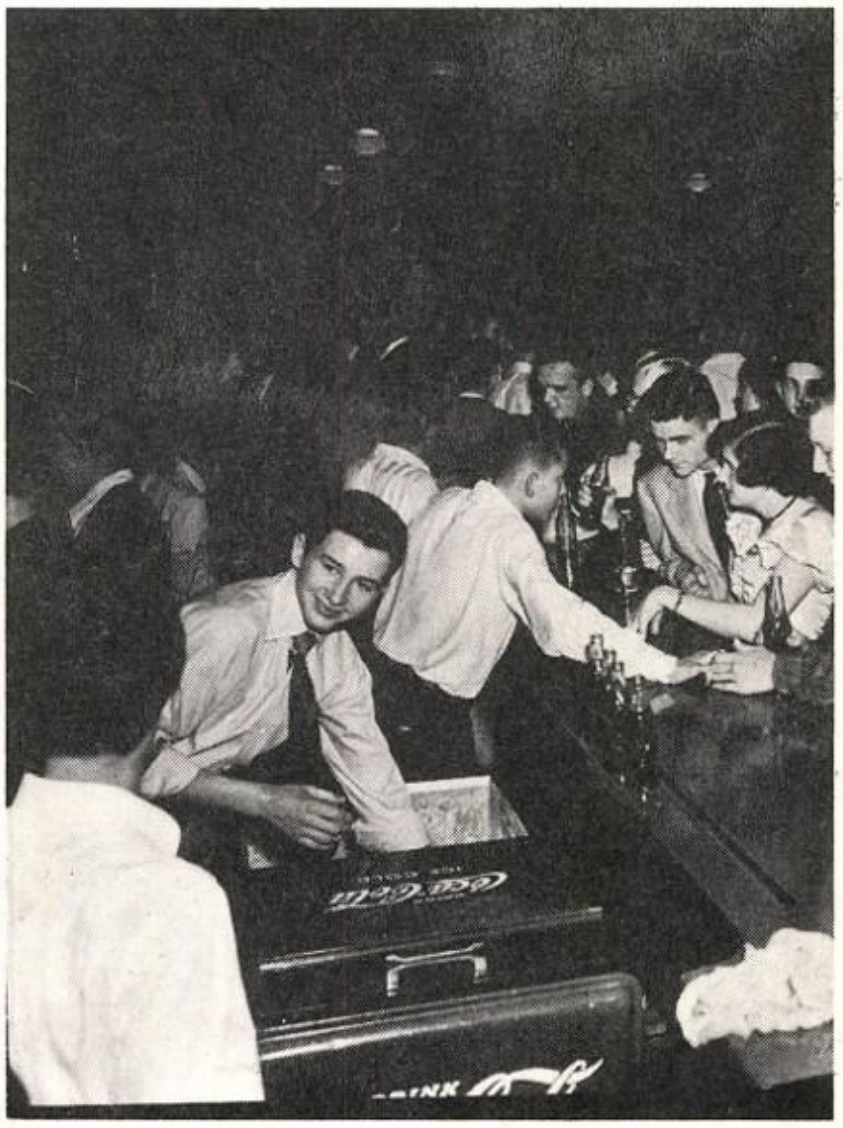
Dayton's Catholic Corner of Companionship

In an unending effort to knit the Catholic Youth of Dayton more closely together, Club Cayoda has, through the years, sponsored dancing and entertainment every Friday night at the Loretto. These socials have become a regular feature of our week-end, a rendezvous for the entire crowd, and a place to bring our friends.



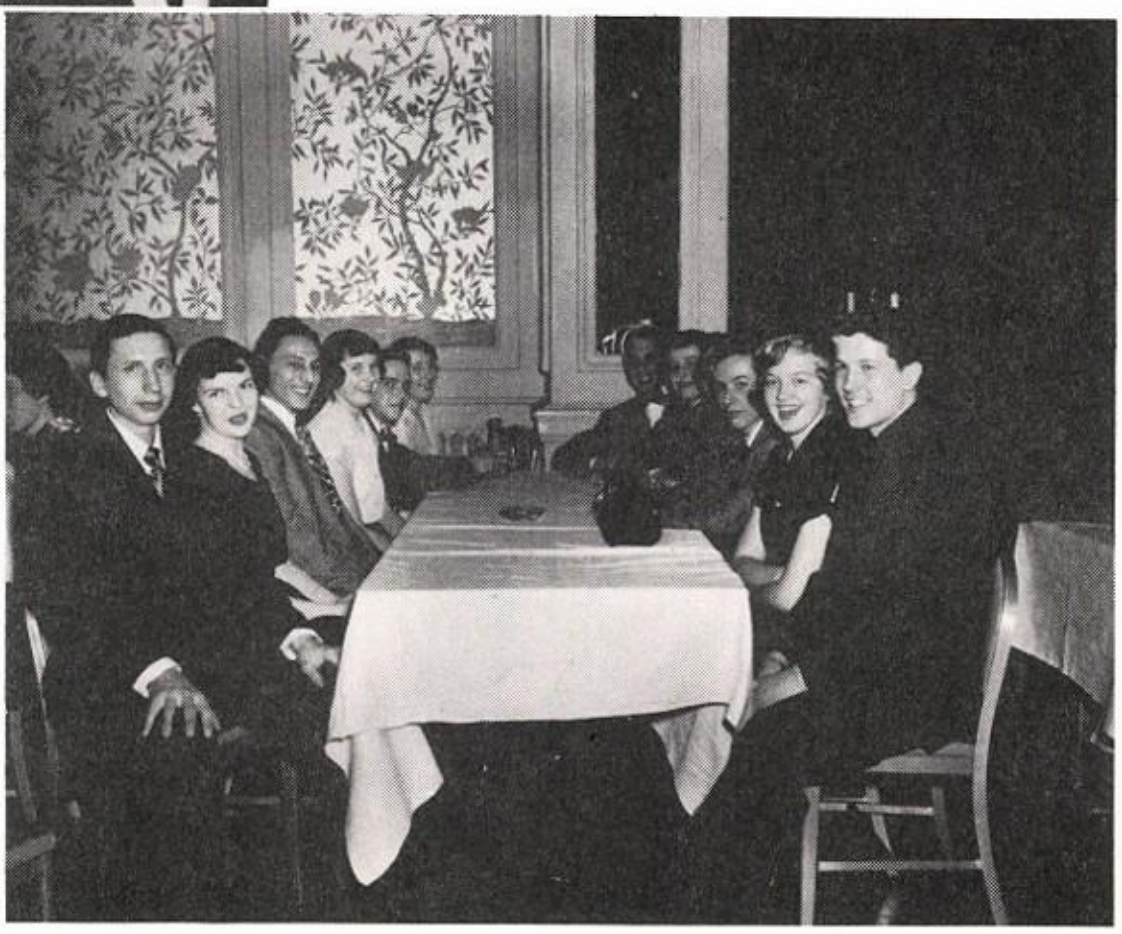
Here is found Dayton's Catholic Corner of Companionship. Dancing, ping pong, sipping cokes, or just chatting, all play a part in the "Club." The photos enlivening this page: The Gala Opening, Intermission Get-together and The Congested Bar Scene, recapture the past year as only a picture can.

Senatorial Swing

Among the numerous projects sponsored by the Student Council is an annual dance held during the Yuletide season.

This year's festival took place on January first under the able chairmanship of George Pflaum. The efforts and planning of Chaminade's "Student Senators" deserves commendation; for the expansive Miami Hotel Ballroom failed to accommodate the overwhelming crowd that came to dance to the music of Johnny Reger's band.

It has been the custom of the Council to use the proceeds of this affair to reimburse their treasury, but because of the all-out enthusiasm toward the building fund, it was decided to turn the financial harvest to the more essential cause. Again, as in all other Eagle affairs, the building fund holds top billing.



Waiting for the New Year, we find Dave Evans and Connie Youngman patiently watching the clock. The clock, Dave, the clock!!

Karl Zengel, John Speranza, Bill Poeppelman, Tony Staub, Bob Carter, Joe Bawidamann and dates just "sit this one out."

Formal Fascination

Who can forget . . . the perfume of a beautiful corsage, the lilting rhythm of Weiher, Rish, Melia or Hines, the enchantment of the gaily decked ballrooms, the grace of long flowing gowns . . . memories unmistakeably associated with a formal dance. Though one may stand out among all others, all will remain . . . highlights of our high school days.

Moonlight Magic

Amid the sophisticated surroundings of the Miami Hotel Ballroom, the "Moonlight Magic" was held on the fourth of February with Bill Rish and his crew supplying the musical background. Considering the facial expression of Charlie Gentile at the right, we would be inclined to say that the dance was quite successful.

Mardi Gras

In praising Club Cayoda, one cannot overlook its annually colorful Mardi Gras formal. This year's dance was held on February seventeenth, with Ron Weiher and his orchestra on the bandstand.

The colorful and gay coronation ceremonies, again were the highlight of the affair. Chaminade's own John Connolly was chosen King. That's John seated on the left with his beautiful queen, Miss Pat Warning.

The Spacious Scope of the

The bi-weekly Saturday night dances, sponsored by St. Joseph Commercial School have always held a priority in the Social life of the student body. The reason being that few other regular socials can measure up to the friendly and homey spirit found at their affairs.

In the picture George Mischler, Tony Staub and Tom O'Connell seem to be enjoying this homey atmosphere.

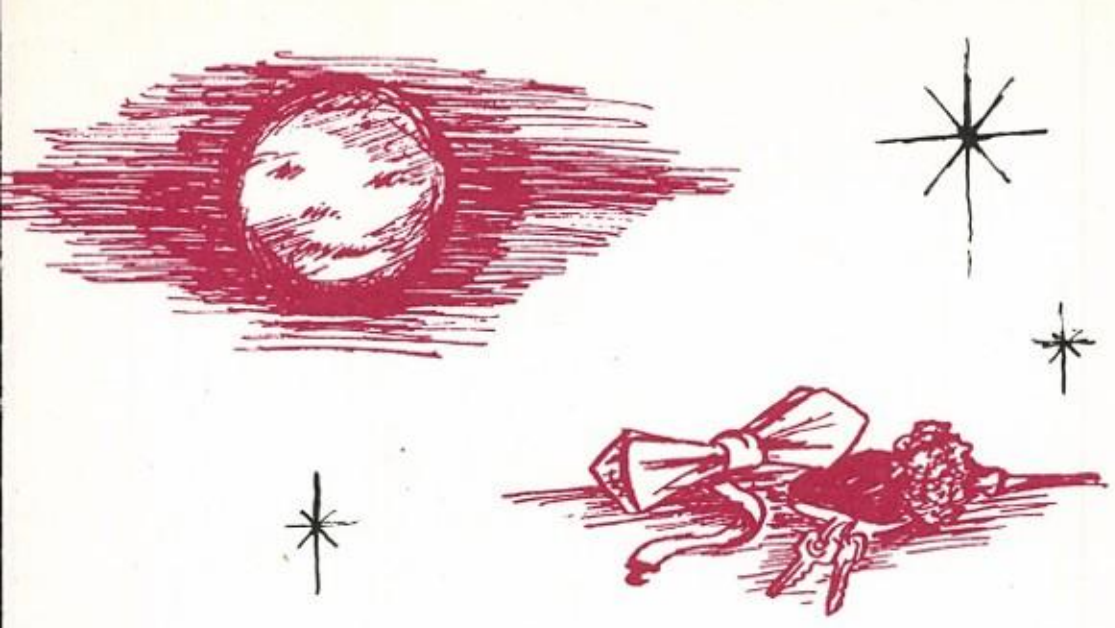
Early Enchantment

Throughout the year, Chaminade students have called on members of the faculty to act as chaperons. Mr. George Early, Senior Civic and Sociology teacher, has been especially generous in this regard. In the picture at the left, Mr. Early seems to be enjoying his extra curricular. Hmmm!

Sophomore Dauce

Friday the thirteenth, a date usually associated with ill-fortune and black cats this year put on a new aire. It was the night of Julienne's annual Sophomore Dance. Gloominess was completely forgotten on this wet January evening as Ron Weiher and his aggregation opened the dance by softly playing their theme, "Moonglow."

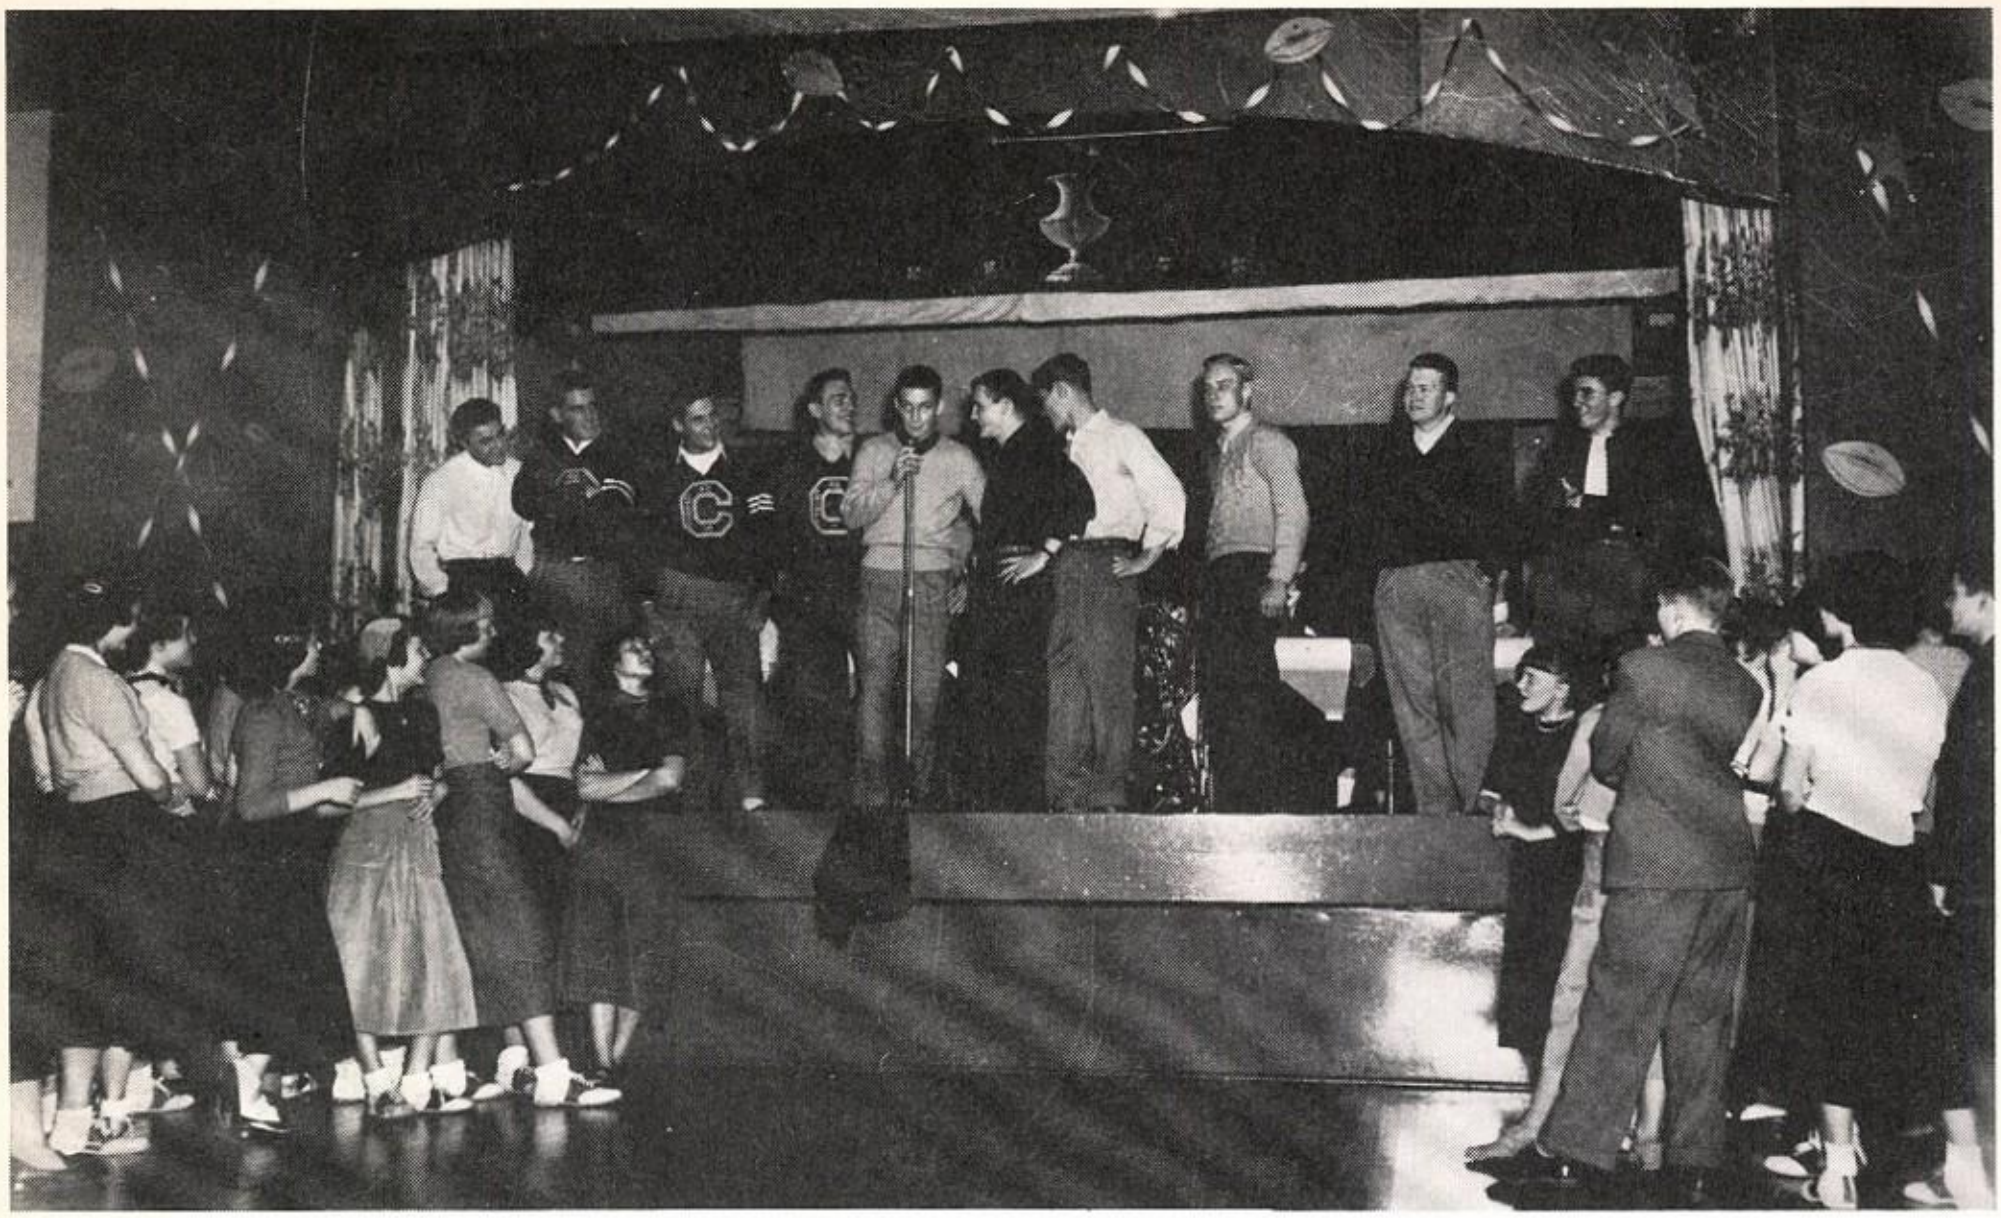
Chaminade Social Circle



Pausing on the steps after an intermission stroll, Charlie Gentile, Pat Knapke, Dick Rathweg and Pat McCloskey return to the dance with renewed enthusiasm.

Time out for refreshments! Marilyn Frounfelker, John Beck, Mary Ann Kauflin and Tony Krystofik lead the way.

The proportion between the number of boys and girls are welcome odds for Jim DeHart and Charlie Nahn.



Senior grid stars and starry-eyed girls.

Gridiron Glitter

Chaminade's highly successful grid warriors have, in years gone by, taken leave of their football exploits and annually invaded the soft lights and music of the Eagle Social ring. The invasion has enjoyed success in the past and taking into account the gaiety of this year's affair, we would say that another peak has been reached. The spectacle this year took place on November twenty-sixth at Club Cayoda, with Bob Hines handling the musical score. Highlight of the dance was the introduction of the gridiron greats from the bandstand.

Becoming friendly with the bartender, Don Jones, are Bill Greany, Willie Thomas, Tom Bramlage, Joe Brun, Marvin Miller and Jim LaVielle.

Gee! It looks like everyone is here.

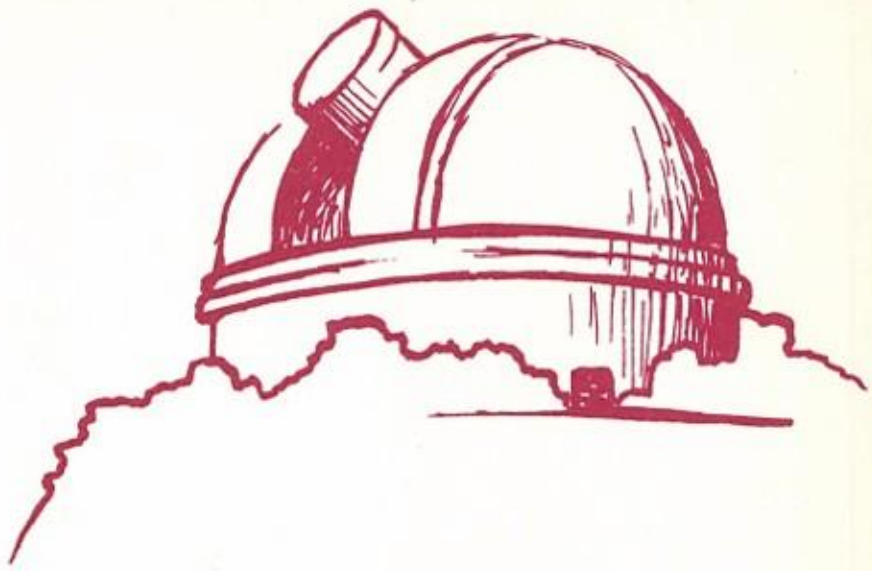
Chaminade's Vital Venture

September 29, 1949, will long remain a most important date in the colorful history of our school. On this occasion, a very memorable meeting held in the NCR Auditorium, disclosed the overdue news that Chaminade was to have a new addition to the old brick-pile.

After Brother Matthew Betz made the announcement, Dayton's Mayor Lohrey; Herman Raiff, Master of Ceremonies; Tom McLaughlin, Alumni Head; Mr. Carl Heck, President of the P.T.A. and others pledged their wholehearted support of the programs and plans set forth.

MR. LOUIS LOHREY
Mayor of Dayton

Following the important announcement, the student body lost no time in pledging its loyal support of the noteworthy cause. One of their first undertakings was a series of Construction dances. The first was held at Circle Park, Thanksgiving night, and proved very successful. Ronny Weiher and his band helped the dance financially by donating their efforts to the long-awaited dream.



Activities

The complete high school education includes much more than mere academic achievement. Of equal importance is the formation and development of the student's character and personality.

Lessons in leadership and co-operation are best acquired through participation in school-wide organizations and activities. These lessons, well learned, will prove not only useful but essential in later life. Thus, our extra-curricular activity, too, has brought us one step closer to those stars within our reach.

Student Senate

Student Government at Chaminade provided ample opportunity for each student to give his opinions and his suggestions.

Under the direction of Father Seitz, S.M., the student council engaged itself this past year in many problems and projects. Their enterprises covered all phases of student life, spiritual, scholastic, social and athletic. In order to stimulate interest in this group, the council has reorganized its constitution, planned a successful dance and conducted an intramural basketball tournament.

Mathematical Wizards

The Math Club was composed of students whose stimulated interest in the science of numbers caused them to pry into the intricate phases of mathematics and to decipher its intriguing mysteries. Bro. Henry Honnert, their faculty moderator, arranged many meetings and field trips which helped them understand the hidden secrets of this science.

Artful Artists

Promoting school spirit day after day kept painters and artists constantly at work making signs, banners, and posters. With the able assistance and supervision of Bro. John Blank, they added color to the peppy football rallies and spirit to the many drives promoted for the Building Fund.

Not only were they busy with paints and brushes; but at the stadium, hours before the game, they rushed about ushering and reserving seats.

This year the Booster Club gave its wholehearted support and cooperation to the Variety Show. The energetic members spent many weeks preparing suitable settings for that wonderful show.

Czars of the Cinema

The Projector Club through the efforts of Brother George Ruppel has provided a more interesting student life by enlivening the routine of school with educational short subjects and full length features. The outstanding and most appropriate film of the year was a conducted tour through Vatican City.

The club membership included nearly fifty active members who were required to pass a rigid test on the care of the projectors and films. The aim of the club was to aid teachers in their educational endeavors. It was to make the conquest of knowledge more interesting, more realistic, more concrete, and more acceptable.

True To Their Alma Mater - Chaminade

This year is just the beginning for some band members; but for four loyal members, it is the conclusion of four years of effort. Early to bed and early to rise was more than a proverb to these students. Early morning practice, without fail, was a must for all members of the band. They can justly be proud of a job well done, a job in which they found "stars within their reach."

Music Makers

Boasting one of the largest memberships of any group in the school, the band can also lay claim to being one of the most spirited and most active. Under the leadership of Brother Joseph Trageser, they entered into every activity the school offered. Rallies, the Spring Concert, football games, the Variety Show, Holy Name Day parade and the U. D. Centennial parade were a few of the activities in which they participated.

The band is a vital part of Chaminade. It not only boosts the school spirit, but adds sparkle and zest to every occasion.

When Brother Trageser took over the band, he started a building up process .Today we can see the results of his efforts, a band of which we can be proud and one which is the finest in the city. The many hours of practice paid off in peak performances. Snappy marching, new melodies and stunning band formations set Dayton agog. Remember the "Indian Song" and the illuminated formations or the "Blowing Bubbles" specialty?

One of the Band's greatest achievements of the year was the second annual Spring Concert. With Brother Trageser and guest conductor Johnny Reger, the concert presented a full program of classics, songs by the glee club, musical solos and novelty numbers like "Dry Bones," "The Three Trees," and "Whistler's Mother-in-law."

Shutter Bugs

Hidden in the obscurity of the darkroom, several loyal and spirited members of the photography club, under the direction of Brother Albert Kozar, supplied the life and light which appears in the pages of the annual and the news.

Working after school each night these ardent shutter bugs find "stars within their reach" in the work that they do for themselves and their school. Their dividends come not only now but also in later life.

This service organization was little known to the student body until this year, when the proposed campaign for raising funds for the New Chaminade became an intricate part of the life of every student.

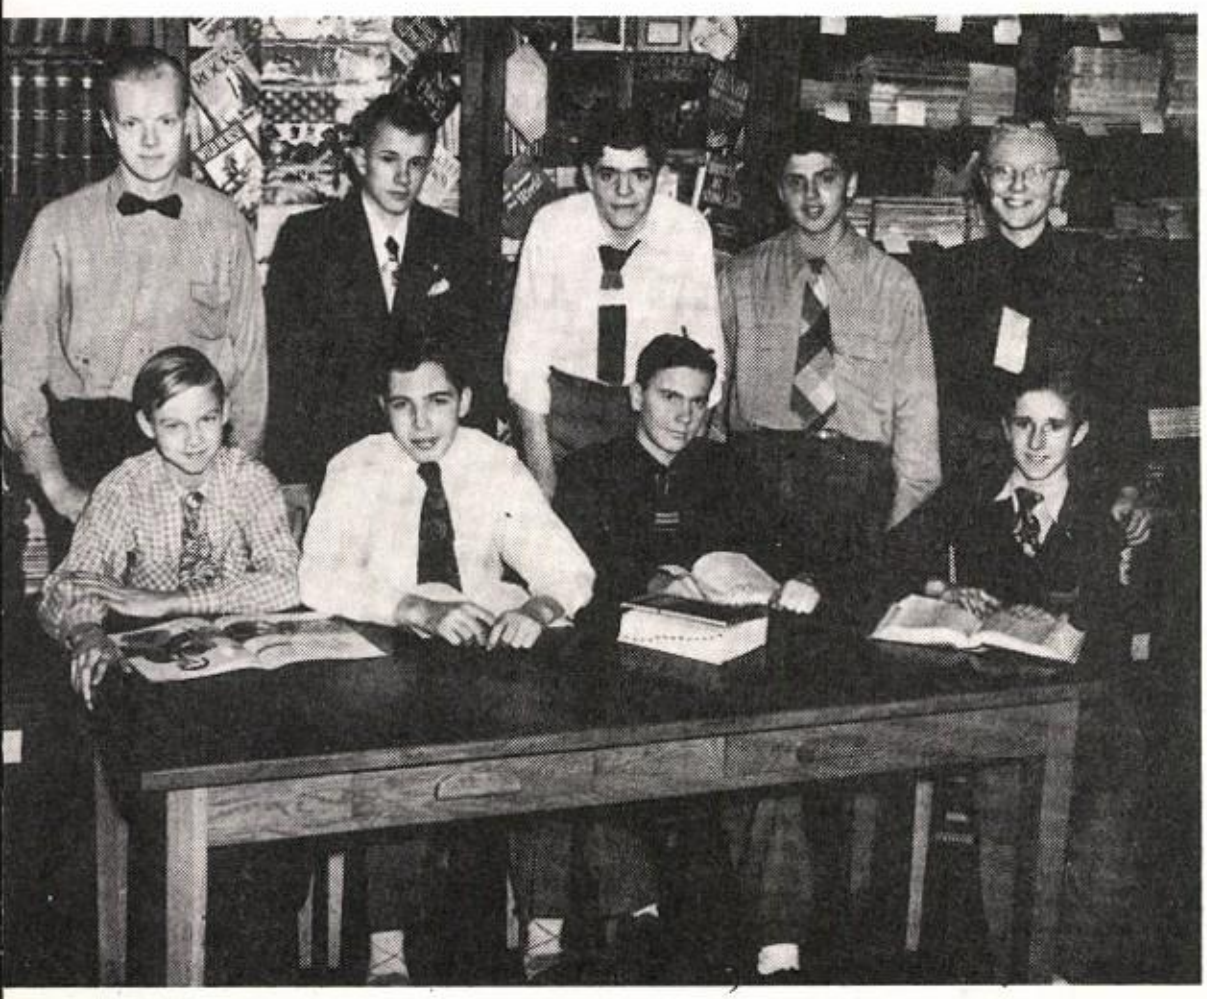
Book Store

Maintaining the bookstore for the purpose of giving efficient and courteous service as a convenience to the students, Brother Bernard Diethorn and his two able assistants, Joseph Spirk and Richard Gilford, were on the job daily before and after each school day, selling ink, paper, pencils, books, etc.

Joe Spirk, Dick Gilford and Brother Bernard Diethorn serve some customers.



Guardians of the Printed Word

A competent crew supervised by Father Robert Brown, S.M., Moderator, have through the whole year assisted the faculty and student body in the use of the library. In the many tasks connected with shelving, filing, charging and so forth, these students have contributed much to the proper scholastic development of their fellow students.

Under the slogan, "the best ever published," the "50" yearbook staff members worked day and night to achieve their goal. Starting work during the previous vacation, the editing and planning on the Eagle never ceased until with a sigh of relief the last phrase of the final copy was sent off to the printer. An "All American" book was the end toward which the Eagle staff devoted all their time and energies. They labored for the school and for the students in an effort to preserve for them the precious years they spent at Chaminade.

First success of the Eagle was scored by the Business Staff under Brother William Anderson, when the goal of the ad drive was realized.

Basing their theme on "Stars Within Our Reach," the editorial staff, under the capable direction of Brother Albert Kozar, met an early deadline so that the yearbook might be in the hands of the students before the close of the scholastic year.

Chaminade's

For entertainment which will reign long in the minds of all who saw it, Chaminade's Variety Show struck a zenith. The success enjoyed by "Around Our Town" seemed to recapture the long standing, but now mothballed Minstrels, which held many fond memories for Chaminade boosters. For its corn, comedy, and wholesome enjoyment, this peak in student participation could not be paralleled. Its success might well make it an annual affair.

In Webster's book of definitions, "variety" is referred to as the lack of monotony or likeness. If there ever was an event more deserving of the word, it was "Around Our Town." It was a

The feminine attire and make-up of Tom Glaser, Dick Zimmer, John Templin, Louie Illes, Jerry Schenking and Tom Hilgeford had the packed auditorium wondering whether Chaminade had turned co-educational.

The personalities of Bob Kern and Tom Kirk left nothing to be desired, nor did the "Bar Scene," the "Gay Nineties" the "Old Fashioned Picnic," the "Merry Wives of Manhattan," or "The Arch of Time."

Through Their Services

The Parent Teachers Association admirably displayed their spirit of loyalty and co-operation. Meeting monthly at the Loretto, they helped promote a better understanding between the parent, teacher and student.

Realizing the need of a sound Catholic education, the Fathers' Club with Mr. Carl Heck at the helm, has done much "behind the scenes" work to promote better school facilities. During the year, they organized the parents of the entire student body and through such efforts offered sizeable donations to the Building Fund.

The Mothers' Club, with Mrs. Carl Heck as acting president, continued their volunteer services in the cafeteria and school socials. A big event of the year was their pillow-case bingo; the proceeds of which went toward the new school.

the Student Benefits

The rapidly growing and loyal Alumni Association under the leadership of Mr. Thomas McLaughlin, again deserves the spotlight. Throughout the year they worked untiringly to make the dream of the year, a new Chaminade, a reality. Besides laboring enthusiastically for their alma mater, the Alumni sponsored their second homecoming game at the high school stadium and also the annual dance at the Lakeside Ballroom.

Through the untiring efforts of the Band Club, the Eagle musicians and the newly organized Glee Club received new equipment such as instruments, music, uniforms and other necessary supplies. These additions were obtained through a bingo party and a melodic Spring Concert. The Band Club also generously donated to the Building Fund.

Athletics

A healthy body combined with a healthy mind is an important factor in reaching our stars. Therefore, athletics represent an important phase of high school life. Physical development is, however, really the least of the benefits provided by participation in sports. More important is the part athletics play in moulding the character of the player. Those lessons in endurance, team work and sportsmanship learned on the field of friendly encounter will stand the athlete in good stead when he takes to the field in the game of life, struggling toward those stars within our reach.

Fans await the champion Eagles after the Kiser game.

Chaminade Story 1949

After a slow and heart-breaking start which is natural to an inexperienced and "green" eleven, the 1949 Chaminade football team gradually developed into one of the top aggregations in Ohio. The stalwart men of Coach "Fuzzy" Faust exhibited great courage and determination in coming back from several disheartening defeats to out of town powers.

In dropping their games to St. Xavier and Purcell, the Eagles were out-manned but never out-fought. They began the defense of their Big 7 title by romping over Fairview, 33-14. The Wilbur Wright game was close all the way but Chaminade came out on top, 13-7.

A strong Roger Bacon team then took the Eagles into camp in a free-scoring duel by the margin of 26-14. Back in the city league again, the Green and White began to roll in high gear. They steam-rollered the Stivers Tigers 35-7, and went on to trap the Roosevelt Teddy Bears, 19-6.

Then, in the championship game of the season, the Eagles completely vanquished the Kiser Panthers by the score of 31-13.

But the valiant Eagles still were not through. Three previous defeats by out-of-town elevens had made Chaminade eager to draw the blood of their final opponent, Toledo Central Catholic, which was rated high in the state. Supported by many students and friends, who made the trip to Toledo, the Green and White upset the Irish 21-12.

Jerry Kauth plunges for vital first down in Kiser contest.

20 . . . Louisville . . . 31

Gradually worn down by their faster opponents in the second half, the Eagles dropped their 1949 curtain-raiser to Louisville St. Xavier, 31-20.

In the first two quarters, Chaminade, performing before 5,000 fans at Athletic Field, was magnificent. Behind the scoring jaunts of Jeem Newland and Eddie Mershad, the Eagles quickly rolled up a 20-0 lead at half-time.

But Louisville was a much improved team in the second half. Their agile line battered the Green and White eventually into submission, permitting the "X" backs to chalk up 31 points and the ball game.

33 . . . Fairview . . . 14

Chaminade drew first blood of the '49 campaign in winning its opening city league encounter against the Fairview Bulldogs.

The first marker came when Babe Perkins scampered 75 yards off right guard. Minutes later, Eagle quarterback, Jake Hagan, pushed over from the one-yard stripe. The third T.D. occurred when all-city end, Joe Tangeman, blocked a Bulldog punt and Ed Borgert recovered the ball. Newland scored on the following play.

Touchdowns by Tangeman and Jerry Kauth in the second half balanced the 14 points that a revitalized Fairview eleven was able to gather, and the Eagles had their first victory.

7 . . . Purcell . . . 34

Although the Eagles, by virtue of a first quarter touchdown, earned the distinction of being the first team in 1949 to lead Cincinnati's Purcell, the superior manpower of the Cavaliers' two-platoon system gradually snowed under Fuzzy's footballers.

Culminating a 91-yard march, Chaminade scored its only points of the game on a pass from Pflaum to Tom Spahn. Jeem Newland added the seventh point with a perfect conversion. Purcell's tying touchdown came after a recovered fumble just before intermission.

In the second half, the mighty Cavaliers, who went on to an undefeated season, picked up momentum and amassed the biggest margin of victory against Chaminade in twenty years. The final score was 34-7.

13 . . . Wright . . . 7

Despite the inspired play of the Wilbur Wright Pilots, the Eagles remained unbeaten in city competition by coming out on the long end of a 13-7 score. The game was played before 10,000 fans at the new high school stadium.

Although Chaminade had a 13-0 edge after 3 quarters, Wright was still very much in the ball game. The Pilots made it 13-7 and from then on the Eagles knew it was a contest.

The score does not indicate, however, that two Green and White T.D.s were called back because of penalties. Eddie Mershad scored both of Chaminade's legitimate six-pointers.

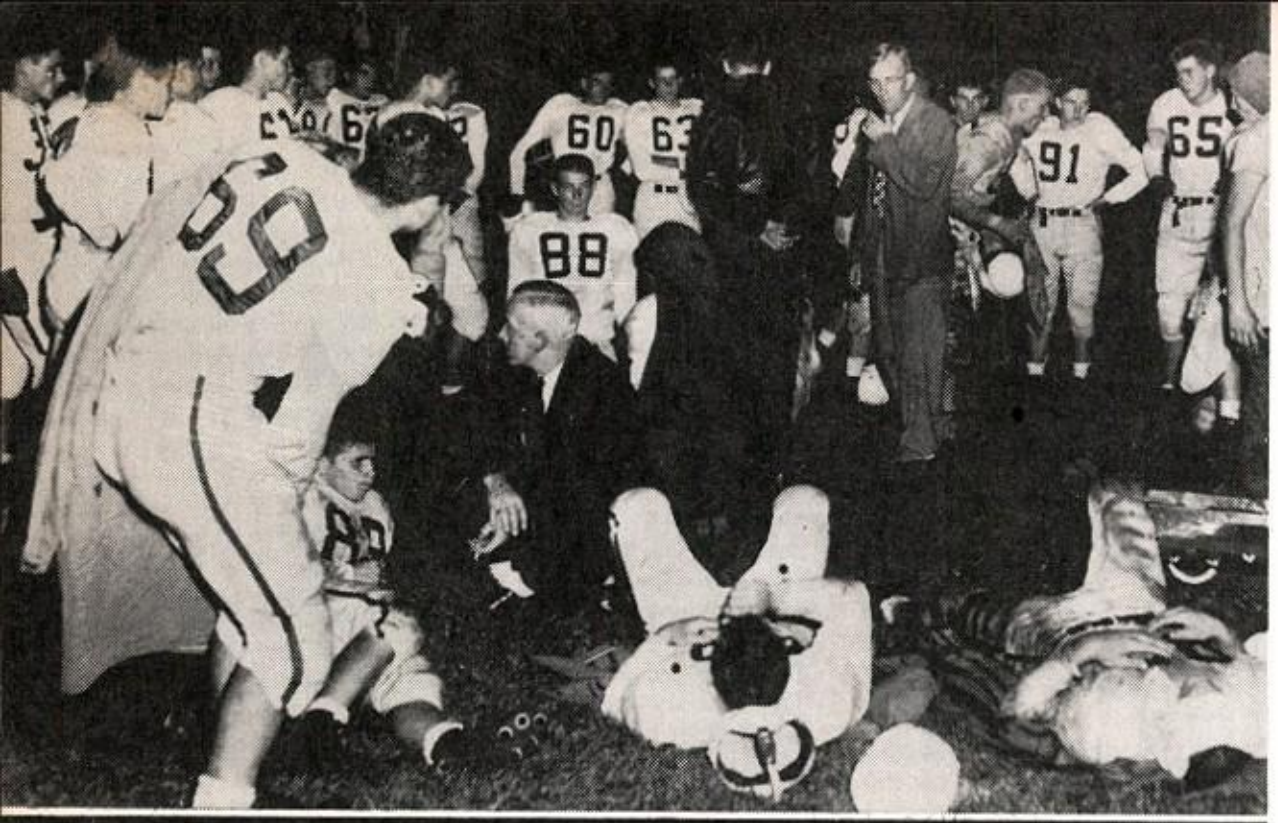
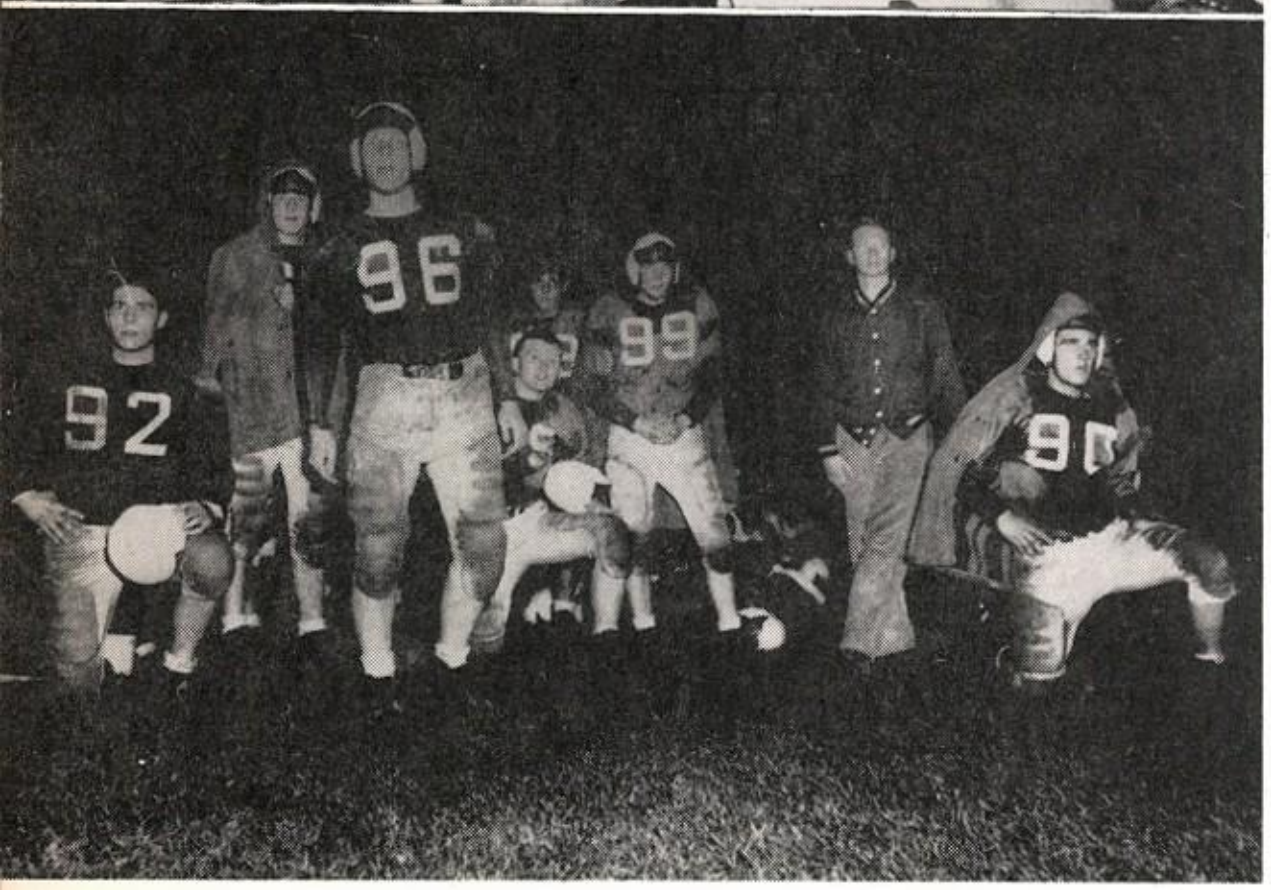
14 . . . Roger Bacon . . . 26

It'll be okay with Chaminade if they never see a speedy halfback by the name of Jack Marshall again. This Cincinnati Roger Bacon dynamo scored three touchdowns and in general made a nuisance of himself as the Eagles dropped their third game of the season, 26-14.

Neither team scored in the first half. But on the kick-off for the second half, Marshall took the pigskin on his own 15 yard line and raced 85 yards for a T.D. A recovered fumble soon made it 13-0, Roger Bacon. But the Eagles roared back to score on a pass from George Pflaum to Jackie Furderer. Marshall then scored his second T.D. on a completed pass and it was 20-7. The Eagles struck back, however, when Furderer scored from the ten. Perkins converted. Marshall then scored his final tally for Bacon and it was all over.





Fuzzy and Bro. Steve give advice and praise between halves of Louisville game.

Tangeman and Spahn hoisted to shoulders of Eagle fans during victory rally.

What's the matter? You'd better put us back in, Fuzzy!

35 . . . Stivers . . . 7

The Eagles reversed things this time; and, instead of falling down in the second half as had been their custom in the preceding games, they became stronger as the game progressed.

Number 69, Eddie Mershad, raced 69 yards for the first score on the opening scrimmage play. A pass from Bonbright to Tangeman and the second of Babe Perkins' 5 conversions made it 14-0 at halftime.

Stivers scored in the third canto but the roof fell in on the Tigers as touchdowns by Perkins, Tom Spahn, and Jake Hagan ran the score up to 35-7. Fuzzy's boys still remained unbeaten in city league competition.

19 . . . Roosevelt . . . 6

The Chaminade victory machine kept rolling along as it took a strong Roosevelt eleven 19-6. End Joe Tangeman, on a brilliantly-quarterbacked play, raced an end around for 30 yards and six points in the second quarter. Then Furderer plowed over from the one for the second T.D. It put the Eagles ahead 12-0 at intermission.

Roosevelt came back strong in the second half and scored on Arrington's 85-yard jaunt around right end. Thereafter, the Chaminade line, playing one of their fiercest games of the year, dug in and refused to give any ground to the Teddy backs. Little Jack Furderer, assisted by Hagan's timely block, scored the clinching touchdown in the fourth period, making the final score read: Chaminade 19, Roosevelt 6.

31 . . . Kiser . . . 13

The Chaminade Eagles clinched the city championship of Dayton as they crushed a scrappy but hopelessly outclassed Kiser eleven, 31-13. 15,000 persons jammed the high school stadium to watch the classic of the year.

The Eagles sewed up the contest early in the first half. Touchdowns by Furderer, Tangeman, Mershad and Perkins put the Faustmen way out in front by a score of 25-0 at halftime. In the second half the North Dayton team scored two T.D's against Chaminade's reserves. Harry Bonbright constantly harrassed the Panthers with his jarring tackles and long punt returns. In the closing minutes of the game, Furderer scored another six-pointer to make the final tally 31-13. The victory also gave Chaminade their 26th straight win against city competition.

21 . . . Toledo . . . 12

Not content with the laurels won in the Big 7, the Eagles were determined to avenge their previous out-of-town defeats by upsetting powerful Toledo Central Catholic. Hundreds of Chaminade fans made the trip to Toledo to cheer the Eagles in their final game.

The game was played in a driving rain and the players' numbers were indistinguishable in the mire. Neither eleven scored in the first half, but in the opening minutes of the third canto, Jack Furderer, who starred throughout the contest, galloped 82 yards for six points. Perkins converted. Toledo soon scored a T.D., however, and followed up with another six points to lead 12-7.

But Furderer again came through, and in two plays the freshman fullback covered 69 yards to give Chaminade a 14-12 advantage. The clincher came when Hagan passed to Tangeman in the end zone. The final score was Chaminade 21, Toledo 12, and the many loyal Eagle fans happily returned to Dayton.

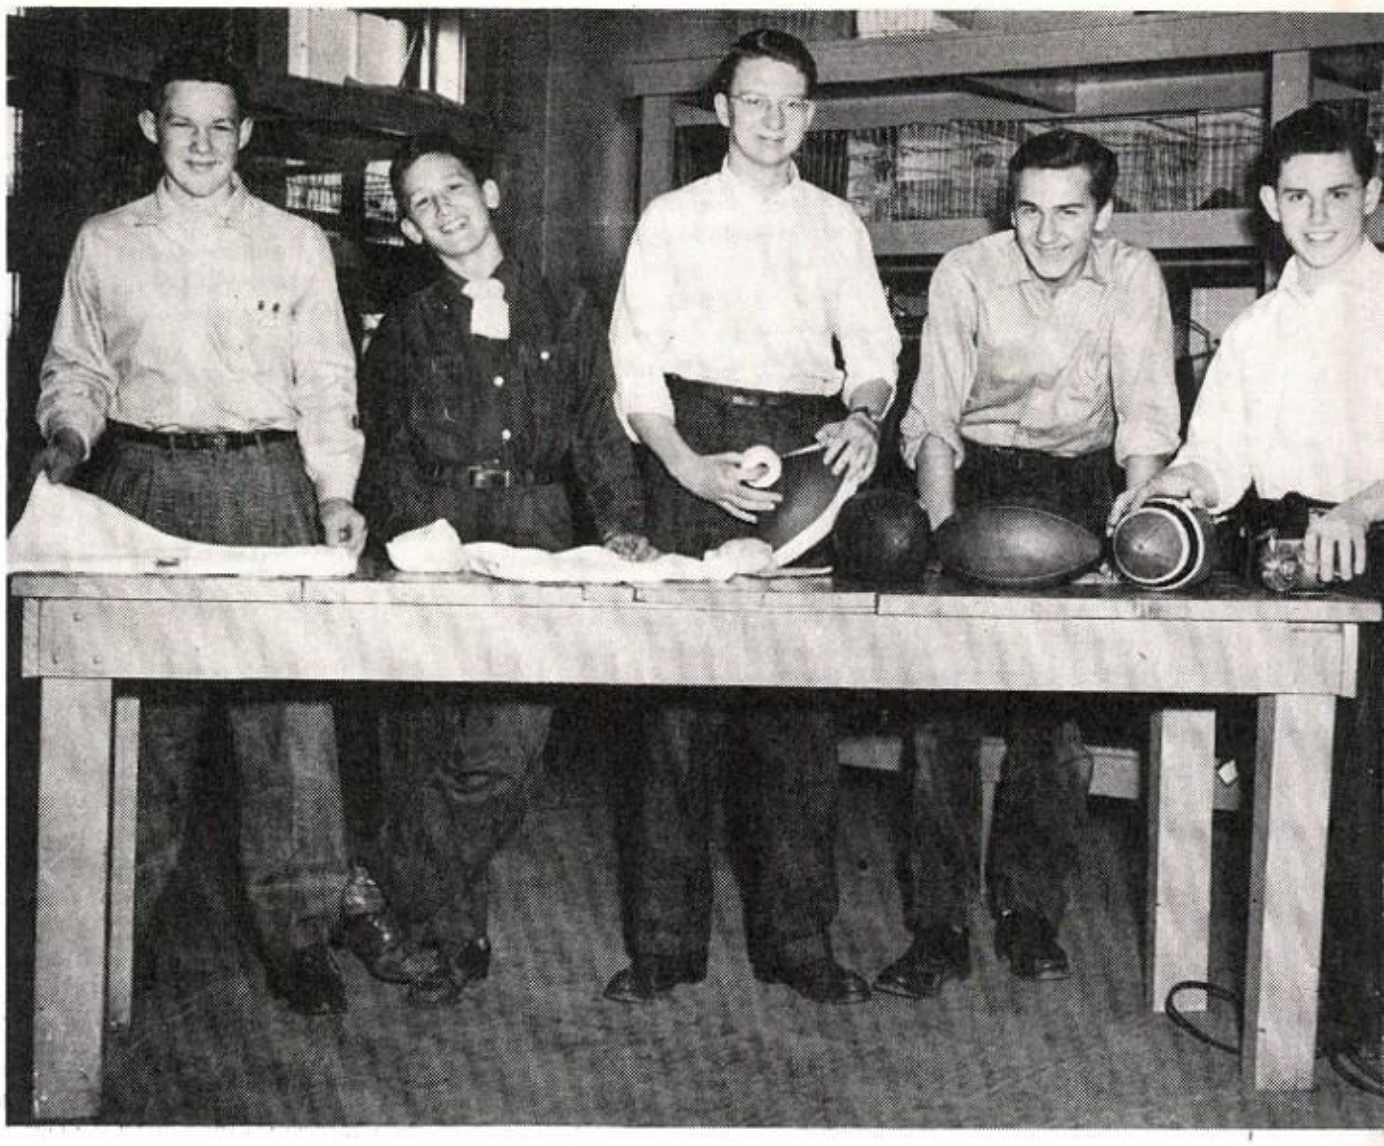
They Sharpened the Eagle's Talons

The Managers lot was not an easy one. It called for a great deal of self-sacrificing, loyal and devoted service. During the entire athletic season, they were constantly working for the betterment of the team. To keep the athletic department running smoothly, they saw to it that things were in their place before a game and there again after it.

Behind the scenes, they did their unassuming tasks of changing cleats, repairing jerseys, sending out laundry, checking and distributing equipment, and so forth.

Along with the Eagles, we salute our managers for their untiring service.



Bill Schenking, Jerry Faust, Paul Sayer, Bill Sander and Charlie Nahn.

Eagle Mega-boys Spread Good Cheer

John Tuohy, Paul Ewald, Leonard Beck, Carl Mescher, Ray Gunn, Tom Hook and Don Speyer.

These eight boys were ever ready to lend encouragement when the Eagles were faltering or to lead the vociferous applause when they soared high above their opponents.

Chaminade students have always been noted for their spirit of loyalty. This was especially noticeable during the Chaminade-Roosevelt football encounter and later at the Chaminade - Fairview basketball tussle. The cheerleaders and the student-body reached the peak of spirit during these two contests.

We, the student-body owe our sincere appreciation and gratitude to these boys for their magnificent co-operation in assisting our football and basketball teams in achieving such notable success.

Just Wait 'til Next Year!

While the record of the Reserves, under the able leadership of Jack Zimmerman and Ed. Leschansky was not impressive, they nevertheless, gave a good account of themselves in the limited action they saw.

Through the knowledge passed on to them by their capable coaches along with the valuable experience picked up in the actual games, the Eagles hope to continue their reign as King of Football in the years to come.

The Chaminade basketball quintet provided their fans with many thrills and exciting moments in 1950 as they compiled one of the better records in recent years.

In the Big Seven race, the Spangmen raced right down to the wire in the title chase before succumbing to Dunbar's flashy Wolverines, the city champs. Were it not for a bad night in the opener against Wilbur Wright, the Eagles would have been co-champions. As things turned out, however, the green and white had to settle for a second-place deadlock with highly-rated Fairview.

No member of the student body will ever forget that the Fairview game was the peak of the season. For on that evening the Eagles had that little "something extra" that characterizes a Chaminade athletic team, and with the moral support provided by the cheering fans, they upset the previously unbeaten Bulldogs.

Although they were primarily a "team" team, Ed Spang had on his roster one boy, tall Don Shumard, 6'6" center, who made the All-city quintet.

Basketball '53 Version

This year's Freshman team showed true Chaminade spirit and ability by winning all but four of their games in the city league. They dropped only the Dunbar contest.

The future of basketball at Chaminade is very bright indeed, with such possibilities as those among the Frosh quintet. In the coming years the City Championship should once again belong to Chaminade.

The reserve basketball five of 1949-50 was unimpressive, winning only six of their sixteen games. The poor results can be chalked up to the lack of facilities, and so it was. Priority on the hardwoods of neighboring gyms was given over to the varsity and budding frosh.

However, with the advent of a new school and a gymnasium, the reserve teams of the future should shape up to expectations.

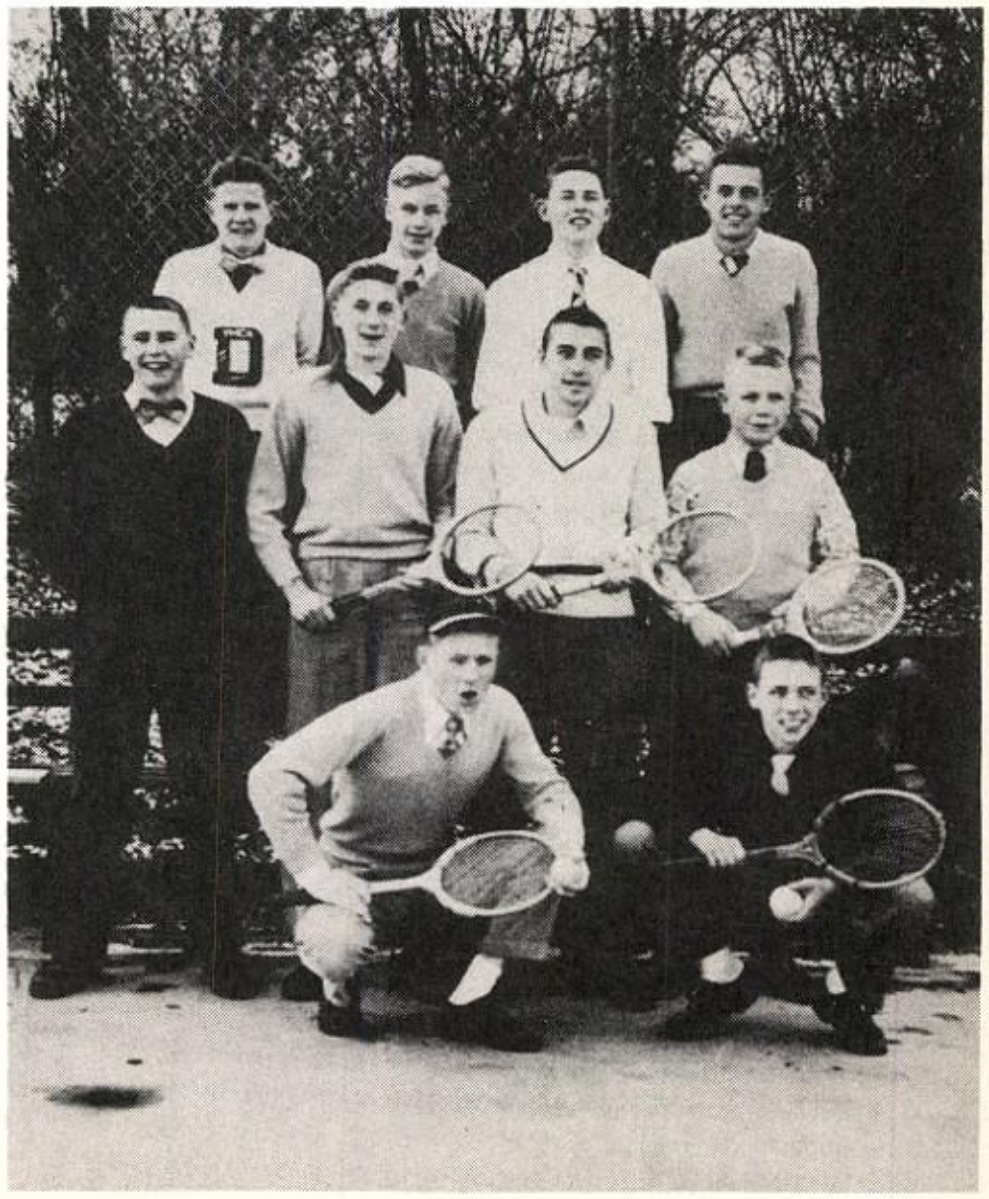
Racketeers Net More Honors For Eagles

Another spring sport at Ludlow and Franklin which is rapidly growing in student interest is tennis, coached by Brother John Blank. Last year's team compiled only a fair record, winning 4 and dropping 3 in city competition. The doubles team was eliminated early in the district tourney but Bernie Trick advanced to the semi-finals before bowing out.

This year's squad will be built around Trick, a holdover star. A few of the many other promising racket-wielders trying out for the team are Tom Daugherty, Tom Muth, Tom Kronauge and Gale Fella.



Top row: Dick Poeppelmeier, Alan Berens, Charlie Nahn, Gale Fella. Middle row: Jim Nolan, Dick Kuntz, Bernie Trick, Tom Dougherty. Bottom row: Tom Muth, Tom Kronauge.

Chaminade

Rapidly becoming one of the most popular sports at Chaminade and certainly the one in which the greatest number of students indulge, is the art of Bowling.

There were approximately one hundred and twenty bowlers in the three Chaminade leagues.

The champion team in the National League was the "Senior Stars" with the record of 37 wins and 17 losses. The top aggregation in the American loop was the "Nogoodnicks." They won 35 and dropped 19 games. The freshman league title was captured by the "Gutter Balls" with a record of 34 and 20.

Highlights of bowling season were two tournaments, the Father-Sons tourney held January 8th

and the Singles-Doubles event held at the end of the regular season. Coming out first in the Dads and Sons tourney were Carl Monnin and his uncle, Geo. Frantz. They combined to roll a 1060 series.

Tops in the singles tourney was senior Karl Zengel, who rolled a 615 series. Zengel teamed with another senior, Joe Matt, to take the doubles event.

Jim Drummer wound up the season with the best average, 156. Second to Drummer was John Van Dyke who averaged 146.

Tony Staub was the single officer in charge of the bowling leagues. Brother Paul Landolphi was faculty moderator; and Mr. Lawrence Staub and Mr. James Tunney acted as instructors.

Golf

Foremost among the spring sports at Chaminade is golf. In recent years, the school has produced many outstanding teams and several individual stars. The 1950 pellet-propelling aggregation promises to uphold this fine record and has a good chance of taking the city championship and also the district title.

Ace golfer on Brother William Schmitt's team is Bob Benning, star for the last two seasons and one of the top players in this part of the state. Ably supporting "Bugs" on the golfing squad are George Pflaum, Tom Geis, Norbert Schiml and several other promising swingers who will attempt to make the team.

Congratulations on achieving an important goal. Your graduation marks the end of one significant period of your life and the beginning of another.

The high school education you have acquired provides a sound foundation to which you can add more knowledge and experience. You will find your education invaluable as you assume greater responsibilities and eventually enter the career of your choice.

Many leaders of business and industry have graduated from Chaminade High School. Their desire to learn never ceased, for they realized that knowledge is the "key" to success.
